THE BOOK OF TRUTH, JUSTICE AND JUDGEMENT

INTRODUCTION

The book; **Truth, Justice and Judgement**, gave vivid insight into the mysteries of how God created Love, (Keddy) and Belove, (ThankGod) and the reasons for the mandate given to us which is the core requirements of saving humanity through the name of our Lord Jesus Christ and His blood, from the hands of Satan, his forces and Veronica.

God in His infinite Mercies, Kindness and enduring Love, extended forgiveness and ultimately offered salvation to Satan, his demons and the teeming occupants of hellfire. A hugely contentious, controversial and vehement discourse spanning many centuries, finally assuaged; 1 Cor 13:13.

THE BOOK OF TRUTH, JUSTICE & JUDGEMENT

Chapter 1

THE NEWLY CREATED LOVE (KEDDY) & BELOVE (APOSTLE THANKGOD), AND THE TOTAL DEATH OF THE OLD LOVE (KEDDY).

In the context of this Chapter, where the matter concerning the activities on earth of the old Love (Keddy) is raised, the word "I" refers to the old Keddy, not me!

The Lord God told us, (I and Belove), that I will later fall into sin based on the rules that will govern the battle, in which I would be unable to remember that I am a spirit being. He said I will have relationship and live like humans since I could no longer recollect who I am and the mission I was given from heaven to fulfill on earth. The Lord God said He will be showing me several visions, revelations, trance and even visitations, yet I won't be able to unveil the mysteries owing to the spiritual doctrines of the family He is sending me into. With keenness and enthusiasm, I will be reporting what I am encountering to one of my older earthly siblings (Vick), saying that, I have been seeing the Lord Jesus and His Angels in my visions, and she, urging me to rebuke such visions because it is demonic and satanic, "No one can see Jesus or Jehovah God, what you are seeing is satanic displays". God said due to this dissuasion, I will cast caution away and eventually regress into normal human lifestyles and live like humans and behave like them.

The Almighty God said since the assignments given to me from heaven is large, He will not refrain from showing me mysteries, revelations through visions and dreams, trance and through visitations of His Angels. Owing to the fact that no one among my household is believing what I am saying, I will withhold my encounters to myself and eventually stopped worshipping with them in their Church. That is when I will start giving Him (Jehovah) and the Lord Jesus, listening ear. He expressed that they will start all over by telling me who I am, my mission and assignment, yet I won't be able to remember due to the loss of memory. Although, I will thence start on His command and open a church and stay away from sinful nature. In the midst of this, He Jehovah will be showing me about Belove (who's being called Apostle ThankGod on earth). He assured that He will start telling me about him again and the command of writing books which I would have to present to Belove. Just as it was foretold in heaven and it was spiritually represented that the daughter of Satan, Veronica, on the command of her father, Satan, shall induce Belove with food and he will fall for her schemes for which will make him reject the books from me, although he will initially believe the books but will eventually be deceived and manipulated to reject and not believe anymore. This, says Jehovah God is the symbol that Belove (Apst ThankGod), has rejected Him, the Lord Jesus and me, his ordained wife, married both in heaven and in the spirit realm of the Earth. God said, Belove will commit this due to the power of spell cast from Veronica the daughter of Satan, which will get him lured into sins and won't be able to recognize me as his wife.

In furtherance, Jehovah God said I will request for physical confirmation that if truly Belove (Apst ThankGod) and I, Keddy called Love in heaven, were wedded in heaven and in the spirit realm of earth, He should effect Belove to wear me a ring as a proof that we are truly the ones He has ordained, assigned and joined together in heaven for His missions on earth. The Lord God said Belove will act accordingly as I have requested by saying, "Wait for me, there's something strong about you that is divine which I need to find out, because what is meant to be must be!" God said "He will buy the ring and present it to you without further saying a word. After

having gotten the proof of the ring, it will embolden you to now present him (Belove; Apst ThankGod), the books which I Jehovah will tell you to write."

The Lord God maintained that "when I have sent you to him with the books and he rejects, I Jehovah, your Lord Jesus, with you Keddy, no longer have the right over him. But because of the injustice of Satan and what will take place in the battles, although Belove rejects you in the physical, he will always come to you spiritually to plead for help and assistance in fighting his battles. Since you're his ordained wife, it will accord you the full right to fight his battles. I Jehovah and my son, Jesus, will be entering the battles through you as we cannot be involved directly seeing that he has rejected the books we sent you to give him, and he did not believe. This is how the whole battles will change and Satan will make it all tougher for you."

The Almighty God said Satan will instruct Veronica to put marks on Belove's members all over the world, including those that have not yet known Him (God), with those still worshipping in other denominations and those serving other gods, that upon receiving the marks, they are immediately infected with the corona virus plague. After Veronica would have successfully carried out this task, Satan will thus change her totally to be like him, giving her his powers and also the powers of the fallen demons that have never come upon the earth since the founding of the world. The Lord God said Veronica shall become so powerful more than Belove (Apst

ThankGod) and she will destroy his whole powers and keep him empty, in which he will effectively handover his church to her, to do as she so pleases. As a result of this, Veronica will submit Apst ThankGod's authority to Satan of which gives satan the right to bring in the corona virus plague. Satan will then give the plague to his daughter to cause death and destruction of lives throughout the whole world. The Lord God further said, "satan will thereafter instruct Veronica to kill you (Keddy), and Belove, in order to become the greatest king of the four wings of the earth.

God made it revealed to me that due to the fact of satan changing Veronica to totally become like him and in combination with the powers of those fallen demons from the pit of hell, I will not be able to fight them and win since I passed through a woman and came into the world, also as I fell into sin and dated, thereby limiting my ability to fight the battles and win as I will be fighting with spirits. Jehovah God said, after I have given the first book to Belove (Apst ThankGod), and he rejects it, He, (Jehovah), will kill the old Keddy and create a new Keddy. He made known to me that He will not be the one to bring the new Keddy to the physical realm but by the affirmation from her mouth, she will come to the physical world. That He, Jehovah and the Lord Jesus will not teach me what to say because if they do, I will not win the battle I am about to embark upon, and it will be difficult for me because I have lost memory, and since the new Keddy will still come with loss of memory due to the way the battles have been fixed.

The Lord God told me that I will plead with Him not to kill the old Keddy but he will not accept, in that if I later remember who I am, I will never be happy forever, and that I will also hear when my spirit being in heaven will reject the old body, telling me that she will never enter the old body because it has been defiled, whereas, the covenant of agreement between me and Belove in heaven was to present ourselves as virgins. Jehovah God continued that, He is still going to give the new Keddy, the face of the old Keddy, otherwise the family He sent the old Keddy into, will not accept her (New Keddy) since they will not know the new face, and if she is not accepted in their midst, she will not be able to live among them in the village and fight the battles which Satan, Veronica and their demons have scheduled to be in the village. Once she cannot fight the battles, then Belove cannot live, because (Veronica) will have the opportunity to kill him and send him to hell fire. He said, "Belove is not the type to end in hell fire, your Lord Jesus Christ will not be happy, you both, being our direct creation and children, we will not be happy to have you go to hell".

The Lord God continue, saying, He will bring back everything the old Keddy have seen in time past in heaven and on earth, all the people she has met, everything that has happened, He will infuse them into the memory of the newly created Keddy, in order for people that have known the old Keddy not to see her as proud, arrogant and snobbish whenever she tells them she cannot recognize them, and also for she to be able to render assistance and listen to them as may be required.

The heavenly father said, the death of the old Love (Keddy) and the creation of the new Love (Keddy) will take place in Port Harcourt, Rivers state. In which He will command His Angels to carry and bury the old body; (Deu 34:5-6). That she, (newly created Keddy), will be allowed to see how the Angels carried the old physical body from the room and buried, for her to know that nothing was picked from the old Keddy into the new one and also because she is the one fighting the battles and being fully aware that she is a new Keddy totally created and different from the old one. Then He, Jehovah, will bring the newly created Keddy to earth in the spirit realm, but she will be the one to bring herself to the physical world with the word of my mouth; (Heb 7:3). And that as soon as she have done that, she is now qualified and ready for the battles.

Jehovah God further revealed that, He will create a new Belove (Apst ThankGod), but he will not be allowed to see how he dies because he did not fight the battles. The Angels will carry his old physical body and bury, he will only observe that he has changed, and with the way he will feel within himself, he will give glory to God. And I, Keddy will also discover that he has changed. God expressed that all this will not happen to Belove while he is still living with Veronica the daughter of satan, because she will defile a new him once again. "Belove will only experience this new creation when he eventually be with you, Keddy."

Chapter 2

THE MEETING IN THE PHYSICAL

In the context of this Chapter, where the matter concerning the activities on earth of the old Love (Keddy) is raised, the word "I" refers to the old Keddy, not me!

As God has been foretelling, I eventually met with Belove (Apst ThankGod) in the physical. Time came I was visiting his church in Ikom, Cross River state, and he was also visiting my church in Port Harcourt, Rivers state.

In the spirit of God, His mightiness and according to His word which can never change, Belove (Apst ThankGod) on one of his visitations to my church in Port Harcourt, made a confirmation to the proof I requested from the Almighty God, and Belove said to me, "Wait for me, there is something strong about you that is divine, which I need to find out from God, because what is meant to be must be!" He then bought a ring right in my presence and gave it to me. This effectively confirmed the word of God exactly as He had earlier told me, that we are both husband and wife, commissioned to carry out all the assignments and missions which He, (Jehovah Almighty God) and our Lord Jesus Christ have been talking about.

Afterwards, God sent me to present the books He have been ordering me to write to Belove. I presented one of the books to him and upon reading a portion I opened for him, he said, "thank you, you have always been there in my challenges, we must surely fight this battle together. I will call you." And I responded, "should we go together now?" Belove (Apst ThankGod) then said, "not now, I will call you, we must surely fight this battle together." And he embraced me and left with the book.

Thereafter, as I waited for some time for him to call as assured, he did not call. I placed calls, he did not pick nor return the calls. The Lord God and our Lord Jesus told me, "just as we have told you, he will initially believe the books but will later reject it. Now you have seen it." They then said to me, "now return back to Port Harcourt, the battle has changed, now he has made the battle very very difficult and it will become tougher." Let me relate here that God had earlier instructed me to go to the village in Cross River and write the books so as to avoid distractions, of which on His instruction, I had to return back to Port Harcourt.

In the context of the word "I" as expressed from this paragraph thenceforth, refers to the new Love, (Keddy).

The old Keddy returned to Port Harcourt as God and our Lord Jesus had instructed, and afterwards, the Lord God took away the old Keddy and brought the newly created Love (Keddy), that did not pass through a woman; (Heb 7:3). Upon creation of a new Keddy, God said to me, "because satan requested that you must fight this battle with loss of memory of not remembering who you are, being a spirit being, and for what you will see and experience in the battles, Keddy, I created you, you are terrible in anger. Who can dare to withstand you in the whole world when you go angry! In order to not use your powers to command destruction upon the whole world and end it, I will be controlling your powers. But later, you will have full control of your powers.

Chapter 3

THE OPEN OFFER FROM SATAN FOR THE GREATEST KING

The following accounts in this chapter is related to the new created Love (Keddy).

In this chapter, we are going to see how satan is preparing for the battle, summoned his false prophets, and all what follows.

Satan called for a meeting among the top ranking false prophets in the world and urged them that whosoever could be able to kill Mama Keddy and Apst ThankGod will become the greatest king of the four wings of the earth, which will be announced spiritually and physically, the person will rule the whole world. The whole false prophets were impressed and much captivated with this offer because it is greatly enormous. In response to this, they asked satan what the price might be to acquire this power from him which in turn empower them to kill Mama Keddy and Apst ThankGod so as to become the greatest king of the four wings of the earth.

Satan made known to them that the price to pay in acquiring such powers to kill Love (Mama Keddy) and Belove (Apst ThankGod) is that they will have to put mark upon the foreheads of all Apst ThankGod's members/generations all over the world, (now all these people are inclusive of those who know God, and those still worshipping other gods at the moment which Apst ThankGod is supposed to bring to light from all over the world through his preachings), these are all his generations. After which he, (satan) will give his willing and ready false prophet to

execute his will, by using the corona virus plague to kill Apst ThankGod's generations all over the world. Thereafter, when this price have been paid by that loyalist of satan, he (satan), will now change the loyalist to become totally like him and give him powers, thereby, that loyal false prophet has thus become worthy of being like Satan.

When the whole false prophets gathered in the meeting, heard all the submissions from satan, they asked if he has the cure to the corona virus plague, stressing that they have in their churches many Apst ThankGod's members that the daughter of satan (Veronica) have been selling to them. That if there are no cure for the corona virus plague, it's outcome will affect them by making them lose dignity in the eyes of the whole world since they all regard them as high profile true men and women of God, and people will say, looking unto them "since you are powerful men and women of God, your God should be able to provide you with the cure to save lives!" They proceeded telling satan, "and when multitudes start dying right inside our churches, the people will lose hope in us and understand that we are fake, which is the reason we could not have provided solutions." Satan then replied, "I do not have the cure to the corona virus plague." The false prophets then chorused, they will not be able to execute the operation since there is no cure. Thus, satan cried bitterly and echoed loudly "that means the kingdom of darkness is finished."

Subsequently, Veronica's mother told her to accept the offer by executing the operation so that she (Veronica) can be the greatest king of the four wings of the earth and they (mother and daughter) will become very rich. Veronica the daughter of satan responded that Satan have not yet told her by himself. As satan kept crying and muttering defeat, one of the world's prominent false prophets told satan that, why not he (satan) reach out to his daughter (Veronica) the great queen of the great kingdom of darkness to carry out the mission for him because she is powerful. Satan thought of this and quickly called her, and as she appeared before him, satan said, "you told me you love me so much and you can do anything for me, now is the time to prove the love, then I will know that you truly love me from your heart."

Satan pressed saying, "I want you to kill all Apst ThankGod's members through out the whole world by placing marks upon their foreheads, and I will give you the corona virus plague to kill them with. As soon as you have done this, I will turn you to become totally like me and give you powers and even demons from the pit of hell that will accompany you to wherever you may go, and to carry out your orders as you command them to do. I will empower you greatly to enable you kill Mama Keddy and Apst ThankGod. When you have succeeded in killing them, I will make you the greatest king of the four wings of the earth.

"I will announce you spiritually and physically and you will rule the whole world, I will make you extremely rich." He then asked, "will you do this for me?" Veronica accordingly, asked, "if I have to pour the plague into his church first, will this not lead to direct suspicion?" Satan replied, "you will have to pour the plague from outside, it will then spread into the four wings of the earth and kill all those that have the mark. Will you do this for me?" And Veronica responded in the affirmative, "yes I will do it for you!"

Satan afterwards, gave Veronica the corona virus plague, when she collected it, satan turned and face the Lord Jesus Christ, saying, "my daughter has accepted to pour the corona virus on the earth and kill all your son's members throughout the world. And you know I have right because Belove (Apst ThankGod) chose my daughter Veronica over Love (Keddy) who is his real wife that Jehovah gave him from heaven, hence I and Veronica my daughter are now the gods of Apst ThankGod. Because he chose my daughter over yours, so you do not have the right to stop me. He did not believe you nor your daughter his real wife whom you sent to give him the book, and he did not believe his God, Jehovah, that He sent Keddy to him. From henceforth, you and Jehovah God does not have right over Apst ThankGod again." The Lord Jesus responded, "yes, I know that already. But do you know that Keddy, his real wife, has right over him and his generations, and she will

not accept injustice but to fight for her husband?" I, Keddy, immediately stated, "this is injustice, Veronica portrayed herself as a christian to Belove (Apst ThankGod), using deceptions and charms upon him, that is what made him to choose her over me. If he had known that she is the daughter of satan, he would never have chosen her over me." The Lord Jesus reiterated "yes, that is why you have the right to fight for him, even though he has not chosen you as his wife in the physical realm."

As Veronica poured the virus, people started dying spiritually at first and going to hell fire. The Lord Jesus was grieved and He started weeping, I was weeping too, pleading with the Lord Jesus to help the dying multitudes. The Lord Jesus responded that He and Jehovah God no longer have right on Belove (Apst ThankGod 's) generations/members inasmuch as he has chosen Veronica the daughter of satan over me. The Lord Jesus further said, "even Belove (Apst ThankGod) can not be able to save his members because Veronica has destroyed all his powers. Only you, Keddy can save them and stop the plague because you and Belove alone have this kind of authority in the whole world to stop the plague. And since Belove have rejected us, only you is left. Your authority is greater than his, so stop the plague!" I then asked the Lord what was I to do, and he told me to fast for three days after which I should command the corona virus plague to stop in the air and become powerless. After this, whatever medical solutions people are working out, and with the prayers, it will be physically effective to end the deaths, because, He, (the Lord Jesus) and Jehovah God will heal them.

Moreover, for all those that have died spiritually, they will eventually die physically in two years time when the virus will land on earth in the physical world. I shivered as the Lord said all these, and I asked, "Father, what is now to be left of his members (Apst ThankGod), if all these ones will physically die in two years time?" The Lord Jesus replied by saying, "Apostle ThankGod's members that are left are more numerous than those that have died in the corona virus plague."

At about same period, Veronica's lover, (not Apst ThankGod), caught the virus spiritually, and Veronica saw this and hastened to meet satan, to beg for the cure. Satan said, "I do no't have the cure, I only know how to prepare the virus!" She tugged at Satan's legs and said, "you told me to pour the virus, but you did not tell me that it will also kill my boyfriend who I love so much." Satan answered defensively, "I did not know that your boyfriend is also Belove's (Apst ThankGod's) generation." Veronica regrettably plead, "if you truly love me as you said, then do not allow my lover who I love so much and knows how to make love to me very well in a way that reaches my heart, to die." Satan retorted, "I do not know that he knows how to make love to you very well in a way that reaches your heart. Meet Mama Keddy, only she has the cure to the corona virus plague, if she accepts, then she will heal your boyfriend and he will not die in the physical world." Veronica was startled to hear this and she did not know how to approach me, alas she had no choice but come to me.

When she finally got courage to come, I gave her conditions, saying, "if you want me to heal your boyfriend, first give me back my husband, Belove (Apst ThankGod) who you took away from me. Remove the spell you casted over him, and never you use charms on him anymore." Astonishingly, Veronica quickly accepted these conditions, she proceeded to remove the spells on him and handed him back to me. Henceforth, I regained the full right and access to him in the spirit and in the physical, being my husband. In keeping to agreement, I healed Veronica's boyfriend, and she with her members, and satan along with the whole demonic kingdom were shell shocked. Veronica thus used her mouth to confess, "non like Mama Keddy in the whole world. I never believed she could have healed my boyfriend, despite all the evils I have done to her." Then she muttered to her followers, "I am going to still cast my spell on Apst ThankGod and take him from her and finally kill him."

The Lord Jesus told me that Belove (Apst ThankGod) will remember me in that two years time when the virus will eventually land on earth in the physical, but he (Apst ThankGod) will be going through emotional pains at that time because Veronica would have killed his father. "Since his return to you took place spiritually, he will remember you physically and will send you a message." The word of the Lord Jesus came to fulfilment, Apst ThankGod sent me a message, saying, "You left me when I needed you the most to be by my side. I always think about you, you have always been in my heart!" I then replied by calling him and telling him, "I know, but I have always been there with you in spirit." Belove responded by saying he would have needed me physically by his side during his earthly father's funeral. He further expressed his present financial constraints and I sent him some money. All these happened as the Lord Jesus had foretold. Veronica true to her insatiable greed and devilish heart, further casted spells on him and took him away from me as she had earlier boasted. She kept succeeding in this act because they are still living together, and he continuously eat from the spell, of which makes it difficult for him to dissociate himself from her and also to recognize me.

THE BOOK OF TRUTH, JUSTICE AND JUDGEMENT

Chapter 4

HAVING PAID THE PRICE, VERONICA PREPARES FOR THE BATTLE

Veronica having paid the price of placing mark upon the foreheads of Apst ThankGod's generations and infecting them with the corona virus plague, having thus acquired powers, she was now set for the battle to eliminate me (Mama Keddy) together with Belove (Apst ThankGod) and earning the position of the greatest king of the four wings of the earth as promised by her father (satan).

In line with the covenant that satan had with his daughter to change her totally to be like him and also in giving her powers together with the presence of the demons from the pit of hell, who are also to empower her and accompany her to anywhere she might be going, having been worthy of the powers, she has automatically become just like satan and as a result, sold her soul to the devil.

Satan told his daughter, "now you have sold your soul to me due to the great price you paid. From today, your soul belongs to me, I will be having sex with you because you have become worthy of me. Your body belongs to that boyfriend of yours whom you love so much." And Veronica accepted unquestionably. Satan then proceeded, "from today, I will give you the demons from the pit of hell that have never been to the physical earth, (these are invisible to the eyes of humans), because they are so powerful and merciless. It is the reason why God has not allowed them to come to the earth. Due to the great price you paid, you are worthy

of bringing these types of demons from the pit of hell to the physical world with the authority of Belove (Apst ThankGod), in that, he has handed over his church to you to rule as you pleases."

Now, Jehovah God had told me, "As Veronica had gotten the powers from satan, she will deceive Belove (Apst ThankGod) that she has gotten the powers from me. Due to the power of the spell and the acquired powers, Belove (Apst ThankGod) will believe her and completely submit his church to Veronica to administer and do as she wish." For this reason, Jehovah God instructed me to close my church and start fighting Apst ThankGod's battle, moving from place to place, one region to another, spiritually and physically as satan and Veronica along with the demons, fix the battles for my God and me. I earlier asked God, "Father, can I not fight Apst ThankGod's battle while my church is up and running?" The Lord God said, "Keddy my daughter, you do not understand the gravity of the battle you are about to encounter, until you enter into the battles before you get to realize the mightiness of it. This is a battle of life and death, but you will overcome. When you have entered into it, there is no turning back until you have finished. In that case, you can not be running the church and fighting his battles, at the same time, and attending to people. This will not be possible, his battle is a matter of life and death!"

When I ultimately entered into the battle, it was so fierce and extremely violent, words alone cannot express the heaviness. As the battle rages tough, I was able to win the battle through the Grace of God and that of our Lord Jesus Christ. When I came out victorious, satan was shocked and got very annoyed with his daughter, Veronica, saying, "you disappointed me, you allowed Keddy to defeat you. Now she will be announced as the greatest king of the four wings of the earth, and you know what that means. The kingdom of darkness will go into hiding because of the evil things we have done to them. Therefore, spell the husband, Belove (Apst ThankGod), once again and bring him back to the kingdom, we must fix another battle for them."

In line with satan's declaration for a new battle, he fixed another one which took us to hellfire. I fought and won, and was able to remove Apst ThankGod from hell. God was so impressed with me, and He told me that I have finished with hellfire. In the next chapter, we will come to know why God said I have finished with hellfire mission, but indeed, I have not really finished with hell fire.

The subsequent paragraphs is a narrative of how the judgement of Angels as spoken in 1 Cor 6:3, "We shall judge angels," ensued in the battle.

YOU WILL JUDGE ANGELS; 1 Cor 6:3

What you are about to read here is a periphery and not deeper account as the main books which I have written as commanded by Jehovah God and the Lord Jesus Christ.

On a certain day, Jehovah God told me that Belove, (Apst ThankGod's) judgement will soon take place, and that satan with his demons have demanded that, I, Keddy will be the one to pass the judgement without the help from God, Jesus, nor the Holy spirit. The Lord God said that satan also demanded that I will not see the kingdom of God while judging. And all the heavens of God's abode must be silent. Jehovah God made me to know that Satan said this in order to strike fear in my heart, that since Jehovah and His kingdom will be silent and invisible to me, I will become afraid of the whole kingdom of darkness. He said that, actually, He (Jehovah & and His kingdom) will be watching and seeing and hearing how I will judge, because there is no partiality in judgement with God and even in hell. He continued, saying, even if I am holy and righteous, if I fail to judge accordingly, I will

end up in hellfire with Belove (Apst ThankGod) and all his generations. *"But if you judge well, you will bring him and all his generations out of hellfire. Therefore, you must judge well with your wisdom and understanding. You are judging Satan and his angels along with his daughter, and you know what that means! This matter will be a very difficult one for you to handle due to your loss of memory, you will equally request for the recovery of your memory while you are in hell, but it will not be possible because that is how the battle was fixed, you will feel betrayed due to the things you will be encountering, since you have forgotten that, this is how they fixed the battle. Now, behold, Veronica is coming to hellfire with Apst ThankGod, and you shall forget all these things I have told you now."*

God said that in six minutes duration for Belove (Apst ThankGod) to be condemned, that is when I will save him from hellfire. Before one could count, Veronica had brought Apst ThankGod to hellfire, and we all stood in the place of judgement. In the presence of the whole kingdom of heaven and the whole kingdom of darkness, Veronica said to Apst ThankGod, *"you are a sinner! Today, I have finished my mission in your life. You will die today in the physical world and you will remain here in hellfire to burn forever and ever. As soon as I finish with you here, I will go and start killing your members/generations and sending them to meet you here to burn along with you in this fire, to be in everlasting torment."* Belove (Apst ThankGod) made a plea, *"you told me you love me, why would you want to kill me and send me to hell."* Veronica smugly replied, *"you don't love me and I don't love you, I came for a mission in your life, to kill you and all your generations and send you all to hellfire. I am not your wife and you are not my husband. Mama Keddy is your real wife whom you rejected and chose me over her. You are a sinner, you were committing adultery on earth by carrying different women, lying to people by saying 'The Lord says', when the Lord has not spoken to you, charging money from the word of God, etc. By doing these, you were engaging in satanic things, this is our works and you must die!"*

When I heard all these, I called on God, but He did not respond which is in fulfilment of His earlier word that He and the heavens will not respond. I felt betrayed (only because I had forgotten He told me all these earlier). I shuddered greatly, my legs wobbled as if one is having paralysis, all these was because I have forgotten due to the loss of my memories. I begged God, Lord Jesus and the Holy spirit to release my memories but all to no avail. As I have earlier said, there is more deeper meaning of all that transpired, which were written and elaborated in the books than here. I stood before the whole kingdom of darkness and told them, "my husband that married me is not a sinner at all. He is holy! He is righteous! He is faithful! He is truthful! He is not a liar! He is not promiscuous! He does not charge money for God's word! He does not say 'The Lord says', when the Lord God has not spoken!" They all thundered in anger, *"you have lied, and you will die with him and remain here in hellfire!"* Then, Veronica spoke solo, *"that is why he chose me over you."* I responded to them, "right before your faces, I will take my husband out of here and leave hellfire because I have not lied. You spelled him, is the reason he chose you over me. You put the life he is living in him, that is not his true nature which he was created with. This is the satanic and demonic life of Veronica. You put such life in him and commanded him to act that way. If you said I am lying, then remove the whole charms you have placed upon him, and you will witness how he will choose me over you. There is no injustice with God."

Veronica then challengingly removed the spells and charms on Belove (Apst ThankGod). As soon as the spells were off, Apst ThankGod came over himself, realizing me immediately and he ran to me, "my wife, my loving wife, I have remembered you now, please forgive me for all the pains I have caused you all this while. Beg Father on my behalf to deliver me from the hands of Veronica, I am so ashamed of myself. You know me that I do not live this kind of life." He faced Veronica and said, "I will tell my wife Keddy to kill you for destroying my life and the church of God. You will never win this battle." He turned towards me and embraced me, crying bitterly while his tears cascaded and soaked on me. I told him saying, "that is why God has been sending me to you in the physical world with the books, but you kept rejecting it and abstaining from me." He replied, "forgive me,

my wife, I always could not recognize you in the physical world because of Veronica's spells and charms over me." I assured him, saying, "do not worry, I will help you to the end, I will not allow Veronica to kill you and send you to hellfire." Satan blurted out angrily, *"it cannot be, Apst ThankGod cannot repent here in hellfire!"* And the Lord God Almighty eventually spoke authoritatively, *"Keddy has won you all. That is the right judgement, your daughter placed all those unpleasant nature upon Belove, that is not the nature I created him with. Will you still boast and be proud of yourself now, and yet call yourself a God in my presence? Only Keddy my daughter has devastated your kingdom, taking her husband right in the midst of your kingdom. You required we (Jehovah, Jesus, Holy spirit) should be silent, despite the critical and dilemmatic state you placed my daughter. Can you still be proud of yourself and your daughter? Now you have become silent!"*

Jehovah God continued, *"whose words have now fulfilled, yours or mine? We are proud of Keddy our daughter, the heavens is in charge!"* The whole heavens now shouted thunderously, *"The heaven is in charge!"* The ground shook and the earth quaked due to the thunderous echoed voices. The Lord Jesus and the whole Angels shouted, *"Jehovah alone is worthy to be the creator of the heavens and the earth. Worthy to be called 'The Almighty God'. The heavens is in chaarrrrgggeee!"* Satan angrily and dejectedly turned towards his daughter, Veronica, *"you have greatly disappointed me and the whole kingdom of darkness and put us into shame. I have been very proud of you but now you have allowed Keddy to win you in judgement. Now she will take him (Apst ThankGod) out of hellfire to the physical world. Go back and spell him, put him into sin once again and bring him back into hellfire."* I vehemently resisted, *"it will not work, I will not allow you to repeat this on my husband again!"* Jehovah God then said to me, *"she (Veronica) will surely spell him again until all things have fulfilled before you will have your husband, back."*

The rescue of Belove (Apst ThankGod) from eternal condemnation and damnation was just six minutes away for him and the whole of his generations. This exposition has been able to bring to light, how we used to go to hellfire, spiritually.

Chapter 5

GOD OFFERED SALVATION TO SATAN

(THE BATTLE & SUBMISSION IN HELL, VICTORY FOR GOD)!

After I have fought the first battles of Belove (Apst ThankGod's) which was a four years timeline, they (Satan, his demons and Veronica) fixed another battle for me, whilst holding on to him. I was held in amazement to see Veronica still condemning Belove (Apst ThankGod) to hell once again and taking him to hellfire. I beheld Apst ThankGod calling the Lord God and our Lord Jesus to rescue him. They responded, they cannot be able to rescue him because he still lives with Veronica and calls her his wife. And for the count, she has once again taken him into hell. "We have told you to return, yet you are still living with Veronica the daughter of satan. See what she has further done to you, your ordained wife Keddy is the only one that can help you if she is willing, but she will no longer accept to go to hell!"

Belove (Apst ThankGod) then shifted his appeal towards me crying sore and bitterly, "Keddy, forgive me your husband only this time. Save me, I will no longer follow Veronica the daughter of satan again." I exasperatedly replied, "that is what you have always said. Whenever I deliver you and remove you from hell, you consistently make a return to her, and still call her your wife." He replied with desperate plea, "Ok, beg Jehovah God and Lord Jesus for me, so they can deliver me from the powers of her spell." I retorted, "that is why God keep sending me to you physically with the books to deliver you but each time, you keep rejecting me and the books. Then tell me how else you want God to intervene in your matters

and deliver you?" Apst ThankGod reiterates his plea, saying, "deliver me only this time, I promise, I will not return to her again. And when I am back to the physical world, I will pray to God to deliver me permanently from the powers of her spells." The Lord God then spoke, saying, "so long as you keep rejecting your wife Keddy, who was given to you from heaven for the special mission and assignment, I cannot answer your prayers. You cannot fulfill with the daughter of satan. As for your deliverance, no one would be able to deliver you except my daughter, Keddy. I have seen that even if she deliver you in your present state, you will still return to Veronica, until all things fulfilled, before you will fully return to Keddy."

I sought the understanding from God as to why Veronica could still condemn Belove, (Apst ThankGod) to hellfire when I have already won them repeatedly. I then added that God should tell them to handover Apst ThankGod to me because I won the battles already." The Lord God then addressed Satan that Keddy wants her husband back. Satan retorted, "*let her come into the fire and remove him if she wants her husband.*" Fear gripped me, owing to the fact that God had earlier told me that I have finished with hellfire. Seeing satan now further requesting I come to hellfire once again to remove Apst ThankGod, I concluded this being a trap to capture me alongside Apst ThankGod and have us put to death. I subsequently required from God, what must I do to remove Belove (Apst ThankGod) from hell this time around?

Satan pointed out that God must not tell me what to do. He maintained, "*let Keddy judge with her own wisdom and understanding.*" I told the Lord God that this amounts to injustice and can not be! Jehovah God responded to me, "satan will not allow me to render help to you because Belove has already been condemned. If you still need your husband, save him, only you have the rights to save him. If you refuse, satan will kill him there right away. Fear engulfed me and I shuddered, I thereby asked Apst ThankGod, "do you have faith that you can come out of this hellfire without me entering in there to remove you?" He asked how possible that can be, while crying with fear. I then proceeded by offering him a seed of my faith.

Belove (Apst ThankGod) took it from me and he replied, "I have the faith now." I advanced by using my authority and the authority of Luke 10:19, with the great covenant Jehovah God have with me that cannot be revoked, I therefore commanded the blood of Jesus as an ocean into hellfire. Belove (Apst ThankGod) hastily drank the blood and cleanse himself, accordingly, all those who died in the corona virus plague, all Apst ThankGod's generation and every other occupant of hell that have died time immemorial, rushed and drank the blood and cleanse themselves, (Rev 1:17-18, Eph 4:8) and their sins were forgiven; (Is 1:18-20, Col 1:13-15, 20).

The whole human demons and sinners as a result of the salvation given to them, rejected Satan and his demons, they were all jubilating and giving glory to the Almighty God and our Lord Jesus Christ. The earth quaked, they all were saying:

"Jehovah God you are too good, you are too kind; We will worship Jehovah God!"

"Mama Keddy, you are too good, you are too kind; Apostle ThankGod must marry you!"

They were all singing and dancing.

On the part of Satan and all his demons, gloom, sadness, dead quietness prevailed, and having realized they have been disgraced, humbled and now feel disoriented, and that there was nothing they could further do as nothing was left in them, I commanded satan and the whole of his demons to bow down and worship the Almighty God, and they submitted unquestionably. I ordered him to roll and he was rolling before God. Satan and all his demons worshipped God, I thereby pleaded with the Almighty God and our Lord Jesus to forgive all their sins; (Is 1:18-20, Col 2:13-15, Col 1:20-22) and allow Love to be the greatest which fulfills the account of Apostle Paul that said in Cor 13:13, *"Love is the greatest of all!"*

As thus, Satan and his demons, with Veronica, were terribly shaken and quickly received the salvation, except the living human demons and including all those who worship him, that were in the dark about this truth. Satan and all aforementioned, chorused greatly:

"Glory to God in heaven."

"Rejoicing in hell fire!"

"Jehovah God, you are too good, you are too kind!"

"Mama Keddy, demons tremble at your judgement"

Mama Keddy, demons tremble at your kindness!"

Noticing they wanted to accord me the worthy Glory of God, I immediately corrected them, saying, *"sing it this way,..."*

"Jehovah, demons tremble at your judgement!"

"Jehovah, demons tremble at your kindness!"

"Mama Keddy, demons tremble at your kindness!"

And they all sang accordingly. I thus requested the Lord God and our Lord Jesus to grant them clothes to wear, they acceded to this and granted them all, clothes to wear and they all worshipped the everlasting God. Let me make an inversion here on the salvation to hellfire. The salvation granted by God to the kingdom of hell was cunningly kept as secret by satan and his demons to all his sons and daughters upon the surface of the earth in the physical world, except Veronica who knew

about this secret as a result of her oneness with satan, and also Veronica's boyfriend who also got to know this due to reasons that would not be expressed here.

Satan did this concealment in absolute preparation for another round of rebellion unto God which shall be disclosed in the next chapter.

THE BOOK OF TRUTH, JUSTICE AND JUDGEMENT

Chapter 6

REASON FOR THE SALVATION OFFERED IN HELLFIRE!

The Lord Jesus spoke to Belove (Apst ThankGod) while he was yet in heaven, He said "Satan will commit the greatest injustice when you have eaten the daughter's (Veronica) food on earth. The condition in which he will put Love (Keddy), your wife, to fight the battles will be so horrible. He will never allow you to remember yourself, and he will demand from Love (Keddy) that she must fight your battles with loss of memories of whom she is. I and my father, Jehovah, will be coming to the earth in reminding Keddy of who she is and to tell her about you (Belove), over again. We will command her to write the books and give them to you to read in order for you to understand that Veronica the daughter of satan is not your wife that we gave to you in heaven as you know now in the present."

The Lord Jesus continue in detailing Belove, "it will enable you to quickly retrace your steps and follow Love (Keddy) your wife and be delivered. Inasmuch as you are still living with Veronica in the house, we will not be able to deliver you because she will defile you and enchant you the more, destroying the whole of your powers. And when you have rejected Love (Keddy), your real wife, with the books, being that I and the Almighty God are your real fathers and your God, therefore you have rejected us. Satan will judge you based on this fact that you chose his daughter over your real wife, Keddy, therefore you have become his son and he is now your god, worshipping him and his daughter. Satan will clearly tell us that we no longer have rights over you, which is true, because you already chose his daughter over your

real wife." He proceeded, "the only way we can still enter into the battle is through Keddy, because you married her in heaven and also in the spirit realm of earth, so it is through this way we will be able to deliver you and your generations. You will be entangling Love (Keddy) from one battle into another battle, making it become tougher and tougher for her. And if she ever refuse to fight your battles, satan will kill you and the whole of your generations to burn in hellfire forever and ever. I have not created hellfire for humanity, it was created for satan and his demons." (MT 25:41).

At this juncture, Belove (Apst ThankGod), held my hands quickly and pleadingly, "my wife, promise me that you will love me unconditionally, and no matter how I disgrace, ridicule and maltreat you, that you will never allow me to perish in the hands of satan and his daughter. You know that with clear eyes, I will never do these things to you nor humiliate you!" Responding to his plea, I promised him I will not desert him, no matter what it is, and in any condition, I must surely deliver him and save his generations. Then the Lord Jesus cut in abruptly, "enough! Stop promising him, the kind of oaths and covenants he has put you in, is too much. Our ears have heard it, it cannot be broken. The more you promise him, the more you tie yourself to him. Even you and Belove can not break the covenant due to who, you both are, the ears of me and my father have heard it. I created you that way, you can not be separated from each other forever."

Tears welled up, cascading from the eyes of our Lord Jesus, with eyes red as blood. He expressed, "it pains us so much to see the types of sufferings Keddy is about to pass through. She was not created to pass through these sufferings. Even if we are to tell her not to continue with the battles, she will not accept because she is a fearless being, that is how we have created her. Due to the covenant you have put her into, she will surely fight the battles to the end and deliver you and your generations. I chose you and Love (Keddy) to fight this great and mighty battles, to bring salvation to the whole world, but you will abandon her, in which we have to tell her to fight the battles alone and bring salvation to the whole world."

And the Lord Jesus said to Belove (Apst ThankGod), "to understand the gravity of what Love (Keddy) will go through, Satan will demand for the impossible, the greatest injustice; he will demand that Keddy comes with physical body to the earth, he will make demands that she must fight with loss of memories so that she will not be able to remember who she is and had also been winning him over and over in heaven. These demands and more are aimed to make Keddy lack courage to battle with him (Satan) and conquer him on earth. Satan will also require that Love (Keddy) must come to live in all his kingdoms including her going to the second heaven and also beneath the earth, till she gets to hell, where Veronica will be bringing you (Belove), to kill you." The Lord Jesus further said to Apst ThankGod, "Satan requires that Keddy must see all his demons with her naked eyes in the spirit realm, to see how horrible, terrible and dreadful they are. And to be tormented together (Keddy and ThankGod) by the principalities and powers of his kingdoms. Satan will persist that if Keddy insist that she must take you (Belove) out of their midst, she must fight all of satan, his demons and including Veronica, if she wins, that is when she will be able to take you out of their midst."

As soon as Jesus spoke all these, Belove (Apst ThankGod) wept bitterly and the Lord Jesus also wept. Belove said to our Lord Jesus, "Father, you know I love you so much, help your son." Lord Jesus replied him, "I will help you my son, it is because of you I am coming to the world to die for you and the whole world. So that you will use my blood to cleanse yourself from your sins; (1 Pet 1:18-19, Col 2:13-15), even if I have died for you, my blood cannot cleanse you, and my blood cannot save you, except Love (Keddy) uses her hand to save you and cleanse you by sending my blood into hellfire, so that you and your whole generations will drink from it and cleanse yourselves, and I will forgive all of your sins, you and all your generations will leave hellfire." (Col 2:13-15).

"When Keddy has removed you from hell, we (I and my father) will tell her that she has finished from hellfire so that the fear of hell will be in her and she will not have the boldness to further enter into hellfire as she have been doing, but indeed she have not finished yet with hellfire assignment." He proceed, "We will inform Keddy to go and live in another axis of hellfire, although it would be unknown to her from the onset because we would have already told her that she has finished with hellfire. All these are necessary in order for her to see when Veronica is bringing you (Belove) into the new axis of hellfire to condemn you. This experience will give her a great shock because we had already told her that she has finished with hell. Due to the loss of memory that will be in effect as rules of the battles, she will not remember all these which I am presently saying, as she finally delivers you, she will be angry with Father and I, that we lied to her and betrayed her. That we promised to give you to her and even told her that she has finished with the hellfire assignment, rather we once again, allowed the daughter of satan to condemn you and still bring you to hellfire. We will respond to her '*We did not lie to you; (Num 23:19), we told you this ahead of time, you only did not remember because of the memory loss Satan demanded*'. She still will not believe but shall remember later that we said it."

Our Lord Jesus pressed further by saying, "satan will promise his daughter, Veronica that if she is able to put a mark on the foreheads of all your (Belove's) members/generations in the whole world and kill all of them unto him with the corona virus plague, she will be made the greatest king of the four wings of the earth and will make her very rich. Veronica's earthly mother will convince her to accept the offer so they can become rich and powerful. And Veronica will do it! She will send all your generations who will die in that plague to hell. Though, your generations that will remain on earth will be more than those that will die in the plague."

"When Veronica keeps taking you to hell, you will be crying and calling unto me and Father, but we will not be able to attend to you. You will then switch to your wife

Keddy, crying and begging her to come and save you once again, initially she would refuse, in that, we already told her she has finished with hellfire matters. So Keddy will run to us to help you and we shall respond to her while you are listening, *'we cannot help Belove since he is still living with the daughter of satan and calling her his wife. And if you, Love, know that you still need your husband, then save him yourself, only you have right over him because you are his real wife.'* The Lord Jesus said, at first, I, Keddy, will take his response to me, lightly. That when I eventually see that He, (Lord Jesus) and our Lord God did nothing, I will thus ask for the solution. Our Lord Jesus further said to Belove that at that time, they will tell me that Satan requires I enter into hellfire and remove (Belove) Apst ThankGod in the same way I have been removing him. "But in reality, he wants to use it as a trap and kill you both (Love and Belove), because he knows we had already told you that you have finished with hellfire, of which we only said that for you to have the fear of hell and not go down anymore to remove him." The Lord Jesus also told Belove and I, "Keddy will ask us what will she do this time to rescue Belove from hellfire without going down in there? Satan will request that we should not tell her what to do, that she should be allowed to judge with her own wisdom and understanding!"

"While Belove will keep crying to you (Keddy) bitterly, you will be unsettled due to the bond of how we created you both, due to the covenant that exist between you and the love and feelings shared, you will as a result be willing to do anything within your powers to save him, (Belove)." Our Lord Jesus proceeded with Belove, "Keddy (Love) shall proceed to offer you her seed of faith. She will then move on, using her authority and the authority of Luke 10:19 to command the blood of Jesus Christ into hellfire as an ocean for you and all your generations in hell that have died through the virus along with every other persons in hell, to drink the blood and cleanse themselves. I and my Father, Jehovah will forgive all their sins and they will be clean, (Col 2:13-15)."

"Moreover, the reason we will still allow Keddy to go to hellfire and help you, also for the woman to still condemn you, is to help your generations. This is why we

permit Keddy to go and help you in your church as she must help to build your church first before she can now go back and reopen her church after you have married her physically. No one in the whole world can be able to climb and purify your altar due to the types of demons, Veronica the daughter of satan has brought from the pit of hell to defile the altar, except Keddy (Love), who is the only one worthy to climb and purify your altar because she is the chosen one. She must fulfill you before you fulfill her. When she has reopened her church, you will help her in her church and you both will make significant changes to help humanity in the whole world."

The Lord Jesus further stated to us, "If we do not do it this way but just allow Love (Keddy) to enter hellfire and remove you only, and build your church, all your generations that have died will make accusations that *'God is unjust, He has found a way to deliver only Apst ThankGod, neglecting the rest of us because Apst ThankGod is His real son'*. They will argue that, *'why has God not also looked for ways to deliver us, after all, we did not hear Apst ThankGod's (Belove) preachings, hence we would have repented and given our lives to God'*.

"And this is true, as the Almighty Jehovah God will be unable to stand their pains and torments; (1 Jhn 4:16). In that day, the passion and love of Love (Keddy) to help you and the whole of your generations from hell, will be so paramount in her heart, and she will alongside, offer salvation to all the residents of hell including satan and his demons and all satan's sons and daughters in the physical world, in order to fulfill my words through my son (Apostle Paul) preaching "Love is the greatest of all; (1 Cor 13:13, Isa 1:18-19, Heb 9:14,23-24, Heb 10:17). For Love (Keddy) to commence the offer of salvation to hell was fore programmed by my Father and I. But all these that I have been saying to you now, she will surely forget she once heard them, and she would have done all these in the battles before she later remembered having heard. Love will even plead before me and Father for forgiveness of overreacting in offering salvation to Satan and his demons. We will respond to her that, it was predestined to be and it is our will."

"But verily I tell you this, satan will receive salvation in hellfire with his demons and will later reject it. I and my Father have put this in the heart of Keddy to give them this salvation because satan's sons and daughters keep saying why has God not forgiven Satan and them, that he must have learnt his lessons to not rebel against God anymore; (Col 1:20-22). But I say this, God will give it to them, satan will accept and then later reject, and he will hide this outcome from his sons and daughters in the world, for them to continue to kill, maim and draft souls to hellfire to perish along with them. They (satan's sons and daughters) upon the earth, will later find out the truth about forgiveness and salvation offered to Satan and that his nature will never change."

The Lord Jesus concluded by telling Belove and I, that Satan and his daughter, Veronica will still fix another battle of which is the greatest battle of injustice, demanding for the impossible, hoping to win but he can never win. "Love (Keddy) will win and seize your (Belove) authority and return it to God. Love (Keddy) will also withhold the authority of Luke 10:19 which will make the earth to be in devastation as a result of how the battle turns out to be. Our anger will be blazing against you, Belove (Apst ThankGod), and the earth, until you return back to Love (Keddy), the earth will continue to remain this way!"

THE BOOK OF TRUTH, JUSTICE AND JUDGEMENT

Chapter 7

SATAN AND HIS DEMONS REJECT SALVATION

This present chapter poses a greater significance to how Satan and his demons once accepted salvation freely offered to them through the Love, Grace and Kindness of our Almighty God and our Lord Jesus Christ, which they (satan and his demons with Veronica) later declined. This very account has settled the over millionennium years controversy and perturbation of "***can God never forgive Satan and all sinners?***" (Is 1:18-19, Col 1:20-22). As Satan and his demons along with Veronica set up their mind on another round of battle despite the forgiveness and salvation God had given to them, the rest occupants who received salvation heard this and were much infuriated, they laid curse upon Veronica. They said she will never win the battle, and moreso, Apst ThankGod will not marry her. The whole Angels in heaven were also incensed and asked God, "why did satan, his demons and Veronica still want Keddy dead despite the kindness she has offered to them. Keddy will not die but she will live." The prayed for me and blessed me.

Having removed Apst ThankGod from hellfire in the supposed last battle as I was earlier told it was, together with the whole residents of hell receiving salvation, I was thus waiting and expecting him to reach out to me in the physical, so we can effect God's instructions of taking me to his church and helping him to build it for two years, solidifying the foundation and making it known to the entire world before our marriage in the physical realm will commence, of which thereafter, I will proceed to reopen my church and he will assist me in my church as Jehovah God

had earlier commanded. Of which we will thence go into the four wings of the earth and help humanity.

One day after the salvation narrative, the Lord God and our Lord Jesus came to me as they often do, they both told me that they are very proud of me and that the Angels were amazed at my kindness. They said the Angels were asking, '*why did Love (Keddy) offered Satan and his demons, salvation?*' I immediately spoke apologetically to the Lord God and our Lord Jesus, "Father, I did not know what came over me to have made me sought forgiveness for satan and offered him salvation." The Lord God spoke, "that is why we are very proud of you. It was our will for you to carry out this act, but due to the loss of your memories, you forgot. You will eventually remember later that we foretold you before you even execute it." I further engaged discussion asking the Lord God, "when is Belove coming to take me to his church, now that I have won and finally secured his release from hell?" The Lord God's countenance and that of our Lord Jesus changed and they became sad, Jehovah God then spoke, "Belove is not coming now until later." Asking the Lord God the reason for the delay, He moodily replied, "Satan want to still battle with you for another two years." I was so perplexed and later found my voice, "God forbid! They have received salvation, why are they calling for another battle?" The Lord God said they (Satan and his demons, with Veronica) have rejected the salvation. I made efforts to know why they declined the salvation. And the Lord God said, "Satan made attempts to read the books I instructed you to write, your Lord Jesus stopped him and told him he has no right to read the books that we commanded you to write. But one of the human demons read the books and revealed the whole secrets to them." I asked, "why had you not stopped him from reading the books, Father?" And the Lord God responded, "while you were writing the books, you did not pray to us to stop anyone from reading the books. Hence, they have known the whole secrets of the books, (Job 11:7-9), that is the reason they have called for another battle. They thought by doing this, they have already known the whole secrets of heaven"! I was so grieved and asked the Almighty God, "what are we now going to do"? Father stated assuredly that, "it is good that way, I wanted them to see it because I already know they will call for

another battle, so we can end this at once! I want you Keddy, to fight this and end it at once." He continued, "your Father, the Lord Jesus is crying and asking me not to allow you fight this battle once again, to undergo even more severe sufferings and torture this time than all the earlier battles you have fought. We have the full right to give you Belove (Apst ThankGod), because you won. However, we will not give you Belove right now due to the arrogant boasting of Satan after knowing the content of the books. He told me to my face that you (Love; Keddy) will reject me and curse me to my face due to what you will encounter in the newly fixed battle; (Job 1:11). We told satan that we do not want another battle for Love because she has won and earned full right and access to her husband. Satan responded to me, the creator of the heavens and the earth, *"now the Almighty God have become afraid because all the secrets of heaven have been opened to us and you already know that this time, we will surely win, we will kill Love and Belove, her husband. You have become afraid that Keddy will surely curse you and reject you to your face!"* I the Lord God Almighty told him that, "Keddy will fight this battle, and get you and all your kingdoms devastated to finish, she will do worse to you than all she has ever done; (Ez 28:6-9). Let me now see how she will curse me to my face, (Job 1:22) and reject me."

"I know, Satan was very boastful and saying all these to my face because of what he will demand in the final battle, hoping to win with greatest injustice ever demanded. I have seen it, he will still not win this battle. They all will regret greatly and beg me, but I will never forgive them again. If he had known that he will not win, he could have still been there, worshipping me in pretense, he would not have rejected the salvation. That is why he hid it from his sons and daughters but they will come to know the truth later, for them to see his true nature."

Our Almighty God emphasized, "and if I do not accept this battle, he will keep boasting in hellfire that I have been afraid, and that is the reason why I did not allow Keddy to fight the last battle because I will be conquered. Hence, I will not afford him the opportunity to boast before my presence while he is in hell. I will not allow

him to die a happy man, and having mouth to boast. Even in that torment in hellfire, he will boast if I allow it by not taking the challenge, (Job 41:1-34). This is why I told my son, your Lord Jesus to see reason with me and allow you to fight the battle and end it at once, and Jesus have seen this." He continued, "Keddy my daughter, your sufferings is extremely great, but fight this battle for me and make me more proud of you. Oh Keddy my daughter! I have seen what you will do to satan, his demons and Veronica in this battle, and I want you to do to them all those things that come across your mind and I shall not stop you. I have already told them what you are capable of doing, they said I am only threatening them so they can backtrack from the battle by being afraid, that you cannot be able to do such things in the physical flesh while they are spirit beings." Satan and his group said lots of profane words that are not written and they also rejected the blood of Jesus and spoke against it, (Heb 10:29).

The Lord God further stated his response to Satan, *"we know how we created Keddy, you will never be able to conquer and kill her," (Job 38:33)*. Satan rudely responded, *"it is a lie, if she wins over us, then she will get back her husband, but if she loses to us, we will kill both of them."* I the Almighty God affirmed my authority and superiority by taking the challenge and telling satan, *"let us see whose words will fulfill, yours or mine."* All these, the Lord God and our Lord Jesus Christ told me.

SATAN'S DEMANDS FOR THE FINAL BATTLE!

After a short while, Satan began listing demands of a ridiculous, wicked and unpleasant nature before the beginning of the last final two years battle. The following listed demands itemized, are what he requested me to abide with, and for God to grant:

1. Mama Keddy must fight the battles with loss of memory.
2. God must not allow Mama Keddy to use all her spiritual powers, she must not be allowed to use it. She can only fight with her physical powers which is invisible to humans eyes.
3. Satan and his legions including the fallen Angels and Veronica's (spirit, soul and spiritual body) will all come with their spiritual powers, physically, but invisible to humans eyes, to fight Mama Keddy in their dreaded manifestations, she must see them with her physical eyes, hear their voices with her physical ears, and they will fight her with her physical powers that will be invisible to normal humans eyes.
4. She must not be allowed to enter the spirit world like she used to, in past battles. She must fight Satan, his demons and Veronica with her physical body in the visible earth but invisible to humans eyes. While they must fight Mama Keddy as spirit beings alongside Veronica's spirit, soul and spiritual body.
5. Satan demanded that Mama Keddy must not fast throughout the period of the battle.
6. God must remove His love He poured in the heart of Mama Keddy to love Him.
7. He must remove from Mama Keddy's heart, the love of the Lord Jesus.
8. God must also remove the love of the Holy spirit from her heart.
9. God must remove the love and feelings Mama Keddy and Apst ThankGod shared.
10. God must keep the heart of Mama Keddy open for them to always have access to the following:
 - i. Whatever Mama Keddy thinks, they must see and be aware of it.
 - ii. If Mama Keddy reads anything, they must know and understand what she read.
 - iii. If she reasons, they must have access to her reasons, (unless I control my reasoning and stop to reason, which is very difficult).

iv. All contacts that call Mama Keddy, either online, offline, sms, social media e.g facebook, Whatsapp, etc, for one matter or another, they (satan, Veronica and the whole demons) must know everything and hear everything.

11. He required that God must give them access to any vision, revelation, trance, dream, Mama Keddy see, without restrictions.

12. Whatever she see with her physical eyes, hear with her physical ears, all that which is visible and invisible, they must also see and hear.

13. Satan in his mischief, required that the Almighty God must remain silent and abstain from Mama Keddy all through the battle period. Even when she makes appeal to God, praying and meditating, God must remain silent. Ecc 3:7

ii. The Lord Jesus must remain silent all through the battle when Mama Keddy calls.

iii. The Holy spirit must be silent and separate from Mama Keddy all through the battle period.

14. The battle location must be in the village (Cross River), where the old Keddy who has now died, was born. Where Mama Keddy must suffer indignity and ridicule among the family members the old Keddy was born into. {God called this, "**The Ridiculing Battle,**" and also "**The blackmailing Battle**}.

15. That Mama Keddy must be physically infused with the corona virus and the new virus through injections and other means and methods devised.

16. Satan required that she must not be spiritually guided. She must pass judgement in the flesh, and God, Jesus and the Holy spirit must not help her in the judgement decision making.

ii. That Mama Keddy must judge with her own wisdom and understanding in the flesh, both spiritually and physically.

17. Satan further demanded that even after the battle and Mama Keddy probably won, her spiritual powers should not be given to her to use in delivering Apst

ThankGod to know himself and be removed from their (Satan and his legions, with Veronica) midst. She must physically take him away.

Irrespective of such brazen and obnoxious demands her master and lord had made, Veronica the daughter of satan nevertheless opted to add her own requirements to the teeming list before God. Veronica demanded the followings:

- a. She demanded to leave her body at home with Apst ThankGod and will come to stay and live with Mama Keddy for the two years of the battle in which only Mama Keddy will be seeing her in her manifestations but she will be invisible to people.

- b. Veronica required that her physical body at Apst ThankGod's house will be working catastrophically there, while her spiritual body, soul and spirit being living with Mama Keddy will also be destructive right in her house until she (Veronica) is able to subdue and terminate Mama Keddy before the two years battle period lapse.

- c. She also made demand that she must see what Mama Keddy sees, feel what she feels, even when she farts or defecates, she must be privy. That no one who speaks spiritually or physically to Mama Keddy must escape her attention. In summary, she must mirror through Mama Keddy, all her privacy must be stripped.

- d. She further required that when she is holding visible meetings with people or discussing any issue with Apst ThankGod, Mama Keddy must not be granted access to assess her affairs.

As satan, his demons and Veronica presented these absurd demands to the Lord God, He responded to them, *"do you know that this is the highest rate of injustice, for you to come in your spirit beings and fight Keddy in the flesh and with her physical powers for two years? Yet you want her to still give judgement in the flesh,*

spiritually and physically! Do you know she will be more dangerous to give judgement in the flesh than in the spirit, taking drastic and harsh decisions in which you all will come back crying and begging me for forgiveness to stop her, but I shall not take to consideration in answering you all when she starts. Despite all your wicked demands, you will still not win this battle." They snapped back, *"you are only making us to be afraid, if she prevail, we will give back her husband Apst ThankGod to her."*

Thereafter, Jehovah God told me separately, "When you have won this battle, you will hear it clearly that Veronica was being warned to return Belove back to you. She will refuse the advice, rather will be demanding for another battle. Satan thought you will not be able to give the right judgement in the flesh, he will be amazed to see you doing this. That is why I want you to do all that comes to your heart. At that time, they would be so ashamed and keep silent. The disgrace and shame to them all will be so much!"

The Almighty Father said to Veronica, *"as you are leaving your body to go physically in your spirit, soul and spiritual body to fight Keddy and live with her for two years, you will never return back to that body of yours again."* Veronica gleefully enthused *"I will kill Mama Keddy and return to my body."* The Lord God reiterated that she will never be able to kill Keddy nor return back to her body after her defeat.

We thus entered the horrible, despicable and hugely excruciating battle that spanned two years and ended on 22nd November 2024.

While the battle fiercely rages on, through the immeasurable Grace of God, I eventually captured Veronica and put her inside a bottle of expended anointing oil and in turn kept the bottle inside another glass jar, corked up. I passed out judgement over her by turning her into a maggot, thus fulfilling the scripture, *{'Your*

might and powers are gone, they were buried with you. All the pleasant music in your palace have ceased. Now, maggots are your sheets, worms are your blankets; Is 14:11' } This fulfilled the words of our Almighty Jehovah God who forewarned that Veronica will never return to her body after her defeat because what she did was terribly unjustified. The judgement which I passed out, makes her unfit to go down to hellfire and pass judgement on people as she has been doing. She thinks she can violate the law and do this with her physical body, it is the reason why she said Apst ThankGod and his generations together with the whole human demons will go down with her to hellfire.

As the battle was ongoing, I seized the authority of Apst ThankGod from satan which his daughter handed to him and I gave it back to God. When Veronica in her physical body state realized that the authority of Apst ThankGod had been given back to God by me, she swiftly wanted to use the authority of Luke 10:19 by teaching Apst ThankGod how to make use of it, so afterwards she can snatch it back from him and use it to kill him, the whole of his generations which the Lord Jesus said are more numerous than those who perished in the corona virus plague, along with all human demons in the whole world who are yet to know that salvation was offered to Satan and his demons, which was later declined, Veronica had the thought of quickly sending all these to hellfire. In sharp and timely response to her evil plans, I quickly withheld the authority of Luke 10:19, to counter her satanic moves, all these were foretold by our Lord God, that with the way the battles will turn out to be, I will withhold the authority of Luke 10:19, which will cause the whole christians in the world to be without authority and this will make the whole world to be in devastating state.

When I had finally conquered this battle and anticipating the release of Belove (Apst ThankGod), as they boasted and taunted before God all along, saying they will leave him once I defeat them on this present and final battle, Veronica despite being in my bottles, her body is still boastful, saying, *"though you have won and taken the authority of Apst ThankGod and also withheld the authority of Luke 10:19, yet I am still fixing another battle for you. It will not only be satan and his demons*

along with me that will perish in hellfire, I will make sure Apst ThankGod, the whole of his generations and the whole human demons, go down with us to hell." I told her she won't dare it because she has lost the fight and she does not have the authority. Veronica retorted that, inasmuch as Apst ThankGod is yet living with her, calling her his wife, that body is her authority. I responded "his body can never be your authority because there is no authority in that body." She vowed to capture the remaining powers of Apst ThankGod's members all over the world not limited to those in the church, to use this in executing her plans. I immediately thought of withholding the remaining powers of the Christians in the whole world, but I had a rethink due to the fact that, it will be disastrous for the Christians. This is the reason I left it. In all these, and for the fact that I had fought, and the authority had already been withheld, if I still go ahead to withhold the remaining powers of the Christians, it will be destructive to them. Even as I have won the battles justifiably, despite all their (Satan, demons and Veronica) injustices, I could have terminated her body in the physical realm of the visible, but God had already told me in the past that He will restrain me from killing her suddenly because He, the Almighty God, want her to face great disgrace throughout the world. He had said, the time for Veronica to die will be determined by Him, the Almighty God.

Chapter 8

GOD'S STANCE WHEN THE FINAL BATTLE MUST HAVE ENDED

Our Lord and everlasting Father, Jehovah God of hosts spoke to me before the commencement of the last and final battle of two years that lasted on November 22nd, 2024, concerning His standpoints during and after the battle.

The Lord God's stance are highlighted in the following order:

1. God said as much as He is seeing my sufferings, His anger will keep blazing against Belove (Apst ThankGod) and to the whole world. As the anger keep surging, the earth will continuously be in wreck and He will not change the condition of the world, inasmuch as Apst ThankGod is still cohabiting with the daughter of darkness, (Veronica).
2. Till Belove return back to his real wife, Love (Keddy), and both embark on the heavenly mission and assignment they were created for, which is penetrating the four wings of the earth to do God's work and help humanity.
3. Jehovah God said to me, "When you have finished the final battle and won, I will not close your heart until Belove (Apst ThankGod), your husband returns to you. If I close your heart without him returning back yet, you Keddy will abandon him and move on due to the loss of memories and also his persistent refusal to do the right

things as a result of Veronica's spells. I will require you to still help him, because once your heart is still open, you will persevere and do everything within your powers to rescue him."

4. God said, He (God), must remain silent even after the battle has been won, of which His silence will help propel me to know what to do and also save Belove from the hands of Veronica.

5. Father said, I (Keddy) will be offering prayers to Him to change Apst ThankGod, but He will not accept, in that the strange woman, Veronica the daughter of satan is still living with him. And if He (Jehovah) changes him now, she will once again defile and deceive him. Therefore, Belove will be changed when he reconnects with his ordained wife.

6. He spoke to me that when I have finished the last battle and conquered Veronica and satan along with his demons, the daughter of satan will yet call for new battle, saying, *"your heart has not yet been closed because it is obviously for another battle."* *"But I, Jehovah is the one still keeping your heart open, until Belove (Apst ThankGod) returns to you, then I will close your heart."*

These words that God said were faithful and true!

The daughter of satan being Veronica, merged the church of Apst ThankGod with hellfire, viewing it in the spirit realm gives one images of horror, tension and cruelty, looking so real like hellfire but actually not the real hellfire. People and even Belove himself see it as a church but it is not a church. Veronica in all her mischief, equally blocked the eyes and ears of Apst ThankGod from seeing the right things and hearing the right things. Due to the enormity of the battles, the Lord God told me to shut down my church because Belove (Apst ThankGod's) battle will lapse for six years. This is the reason why the Lord God and our Lord Jesus Christ had earlier told me that during the battles, I will be striving strenuously and laboriously to cleanse Apst ThankGod's church but it cannot be cleaned yet due to the extreme evil of defilement that Veronica the daughter of satan has done to the church and also to Apst ThankGod, without his knowledge. Which is what precipitated the

commandment given to me by the Lord God and our Lord Jesus for me to go to Belove's church and takeover, cleanse it spiritually and physically, build it up for two years and make it known before I can go and reopen my own church.

These are the words of our Lord God during the battles, "Belove (Apst ThankGod) does not know the mightiness of his sins which he has allowed the daughter of satan to lure him into. Till he read the whole books I instructed you to give to him, then he will realize the intensity and extent of his sins. No one in the whole world can intercede to me or to my Son (Jesus) on behalf of Belove (Apst ThankGod), to be cleansed and delivered, that I will listen to, except you, Keddy, because you are the one ordained for such, you are worthy to do this, having suffered greatly for him and his generations. Belove is not a human but a spirit being, reason why no human being can be able to deliver him, a human can not deliver a spirit being. No one can be able to deliver him and he also can not deliver himself because he has no authority, all his powers have been subdued." Jehovah stressed further, "his encounters comprises of satan, all his demons alongside Veronica, this is not just all about human demons. I will not just change him and bring a newly created him, immediately. I want you to work on his physical body and make him very clean. As he is confessing his sins to me, (Jehovah) and my Son (Jesus), before your presence, you will be working on his body. As you work on him, and he digests your teachings, he will be getting empowered and the power of Veronica's spells will be broken. Belove will start feeling the difference within himself and become astonished. He will regain his ability to teach soundly and people will be amazed and give glory to God. Belove will thence start remembering who he is."

"All these changes will start to manifest when you (Keddy) have prayed to me to forgive all his great sins and cleanse him with the blood of Jesus and deliver him. He has been severely mocked by people, that he does not know how to teach anymore, therefore I want you to firstly, change that his physical body in order for people to see the difference between you his real wife and the daughter of satan, Veronica. There are rules in heaven, a new created him will not be able to come

physically and visibly because, his spirit (Belove's) observes the sacrileges Veronica does to his body, and until the spirit being sees that the present body has become totally changed to become worthy of the newly created him, then he will come. The spirit being hates sin so much, he can not stand sin. The old Belove hated sin too, until the evil woman put him into sin with the backing of her master, satan. I, Jehovah shall be watching him, when I have seen his changes, that he has become worthy of the new him, it is then, I shall take away the old him and bring the new him. He will suddenly behold himself that he has become very powerful, he will feel totally different from the way the old him use to feel. He will be filled with the holy spirit and will magnify the glory of God. On that day, words will be too short to express his feelings, being emotional, appreciative, and adoring my holy name. Belove will express, *"Oh Lord, what have I done that you have made me special this way!"* We created him that way because of you, Keddy, also for him to know that we still love him so much. He is our son! This is when he will then proceed to marry you, because he has now become worthy of you!"

Now, all these events were supposed to have manifested after the four years frame of the first set of battles, but due to the manipulative extensions of the battles by satan and Veronica, for another two years that lasted on 22nd November 2024, and the mandate that Veronica should confess, of which God had earlier told me that she still will not confess but rather keep deceiving Apst ThankGod and portraying herself as a true christian and a good wife to him whom she is not. Doing this to have her way in trying to fix new battle, so she can send all her targets to hellfire along with her.

God had spoken about a man of God who was supposed to stand in the office of our Lord Jesus Christ and proclaim me and Apst ThankGod as the greatest Queen and King of the four wings of the earth when the battle is won, but he was disqualified as a result of the authority of Luke 10:19 that has been withheld and also because of certain mistake that man of God had committed with respect to this battle. The Almighty God emphasized, "You and Belove are already who you

are; Queen and King. You are Gods, go and do my work as commanded. I know how you are feeling, but when you start remembering and recalling your memories, which you are not allowed to remember all at once, you will indeed know that you are already who you are, and I foretold you in the past that the battle will change, but you forgot due to the loss of memory. When I keep silent, you will know on what to do to still save him!"

CHAPTER 9

THE NEWLY CREATED BELOVE, (APOSTLE THANKGOD).

One day, the Lord Jesus came to me, after I greeted Him, He said, "Our Father, Jehovah God is planning to take you back to heaven and end the world!" I was startled, and asked the Lord Jesus, why? He replied, "the love He (Jehovah) has for you now is greater than before." I remembered what the Angels said at some point, *"Jehovah God is weeping as Love (Keddy) is going back to the earth. The love He has for her has grown greater."* The Lord Jesus continued, "Father and I, are so proud of you, much more proud of you. We kept telling the Angels about your works on earth. They have come to love and admire you so much. You have worked well and pleased us, is the reason why Father want to take you and end the world. He can no longer stand the sufferings that is still ahead of you. As you know, it was you together with Belove (Apst ThankGod) that were created to fight the battles and bring salvation to the whole world. But he left the battles for you alone to fight as he was captured by satan and his daughter, Veronica." The Lord Jesus continued, "it pains me so much to see you suffer this way. Due to the promises we made to you, I told God to still allow you to live on earth, we cannot break our promises to you, (Ps 89:33; 2 Cor 1:20), you must marry Belove and still help humanity. This is the reason why I did not accept when Father was planning to take you home. I and Father have discussed on creating you, a new Belove (Apst ThankGod). When we

finish creating him, we will bring him to you so that you can see him. We love you so much, and you have really suffered so much for us, that is why we are creating a new Belove who will be greater than the present one, in order to enable him to marry you. You have forgotten who you are, if we do not create a new him, he will not be able to marry you." The Lord Jesus then added, "Father will come and see you later!" And He departed.

Afterwards, Jehovah God came as the Lord Jesus had said. As I welcomed and greeted Him, I could see red tears clouding His eyes as blood. He spoke to me, "Keddy, my love for you have grown greater, you make me feel so proud of you. It pains me so much to see the sufferings you are undergoing and the ones that are still ahead of you. The Lord Jesus your father has really suffered so much for me, and whenever He requests me to do anything for Him, whatever it is, I will do it without turning down His request. He did not accept my request to take you back to heaven, and I cannot turn down the request because I love Him so much."

"You have worked excellently and pleased me very well. You have given me so much souls, so many," (Rev 7:9-11,16) (2 Cor 5:18-21). I was shocked to hear Jehovah God talking about winning so many souls for Him, and as I pondered over this in my heart, He jolted me with a response, "You will understand this, later." I later came to realize what the Lord God was talking about, when the whole hellfire residents received salvation. It was then I understood what Jehovah God meant that I have won over to Him, so many souls. Although, I knew I was going from place to place to preach and work for God before I fully entered Belove's (Apst ThankGod's) battles. And I gave God souls by so doing, but it was the hellfire souls He was referring to, because it was the whole hellfire that received salvation.

The Almighty further said, "I have seen your heart, you do not want a husband that will fear you, you want a husband that will love you. You want Belove (Apst ThankGod) to love you and not fear you. Even if I bring back all his powers that

Veronica the daughter of satan had destroyed, and I added more powers to him, he will still fear you. If you get married, even if you tell him not to be afraid of you, it still will not work. He will fear you still. I know who you are, I created you. You are very much powerful and strong, I created you this way to use you for my works. You are something else, I am the one controlling your powers, but later, I will no longer control it. You will be in total control of your powers. It is for this reasons I will kill the old Belove and create the new Belove (Apst ThankGod) for you. I will create him greater than the past, and no matter how the powers come upon you when you are in the room with him, he will not be afraid of you, " (1 Jhn 4:18).

"You are still powerful and greater than the new him that I will create, but the gap will not be much, this is the only way he can be able to marry you and live peacefully with you. Satan and his demons with Veronica, destroyed the old Belove (Apst ThankGod) extremely, and defiled him so much.

"Veronica vowed that you will never taste emotional love side of Belove (Apst ThankGod). I was listening as she was boasting, (Ez 35:10-14), I will fulfill her word by not allowing you to taste it because it will defile you. No matter how I cleanse him, he will never be clean enough for you. Your uprightness and holiness is great, for Belove to be ideal for you, I must kill and create a new him greater than the past. You have indeed suffered so much for the world, you need something better. He must be a virgin and marry you a virgin, as I have promised him a virgin wife, and I will fulfilled my words." (Is 55:11).

"The promises and covenant you both made to each other before me (Jehovah) and my son, Jesus, is largely substantial. Our ears have heard it all in heaven and on earth, it cannot be broken. You have both promised each other to remain virgins and love each other unconditionally, and this is how it must be. When I have finished creating a new him, Belove (Apst ThankGod), the Lord Jesus your Father will bring him to you and you will see how we have created your new husband,

Belove. This will astound you and keep you speechless in terms of offering thanks to me. He looks just like your Lord Jesus, and satan will not recognize him at first, as he (Belove; Apst ThankGod) will be coming to express love to you, satan will be asking himself, 'who is this?' He will ask his demons, and still unable to find out, you will hear what he will say to his demons, that is when satan will be monitoring the new Belove until he finds out who he is. Then he will become very delighted because in that time, he has lost the battle. He will immediately see this as an opportunity to fix another battle for you, and use the new Belove (Apst ThankGod) as a trap against you and have you put to death."

"You will not remember that I had already told you that Belove (Apst ThankGod) looks just like Jesus Christ but he is not Jesus. Due to your loss of memory, you will not remember that the new Belove is not your Lord Jesus. Satan will not allow the Holy spirit to notify you, we all will be silent just as Satan had demanded, because you are fighting in the flesh. He will require that your spirit being should also not speak. If your faith is shaken, he will put you to death and send you to hellfire, after that he will kill Belove." Hearing all these, I was startled, and I asked our Lord God, why will it be that way! The Lord God replied, "because of who you are, he (Satan) will not allow your spirit being to fight, he will fix the new battle for no just cause." I asked, "Father, what will I do now?" He said, "I leave you to your faith." Without hesitation, I asked if God can stop Satan from carrying out his evil plot. The Lord God responded, "I want him to see the new created Belove (Apst ThankGod)." I then asked God to tell me the truth, if I will be victorious in the new battle satan is fixing. And the Lord God said, "Yes, you will win, even in your loss of memory, you will later discover that, it is not your Lord Jesus but Belove (Apst ThankGod) that is expressing love to you. Your Lord Jesus cannot do that, and this is also the way that Satan will eventually find out that, that is not Jesus."

"At a certain time, we will take the new Belove back to heaven, until later when the old Belove has returned to you, it is then that we will bring the new Belove (Apst ThankGod) back and we will restrict him from seeing how the old Belove, died. I

will command the Angels to convey the physical body of the old Belove and bury him. On the day this will happen, he himself will be unaware that his old being has died, he will only discover that he has changed, as he would have become very powerful and filled with the holy spirit. He will be short of words to express his appreciation to us. We want him to be happy forever, if we are to leave him in that old way, once he remembers who he was before Veronica destroyed him, he will never be happy with himself forever. Hence, we want him to be happy and to know that we still love him."

"Satan will be so confounded when you defeat him even in your state of lost memory. Just as he saw the new you and made the battle tougher for you, that is how he will fix another battle once again for Belove (Apst ThankGod), for you to fight, seeking for ways to have you put to death, but he will never succeed." As soon as the Lord God finished speaking with me, He left in anguish due to His inability to bear my suffering experience.

Later, the Lord Jesus brought the newly created Belove (Apst ThankGod) as they (Jehovah & Jesus) have promised. At first, He (Lord Jesus) did not reveal Himself, He wanted to see my reaction as I will behold the new Belove (Apst ThankGod). When Belove (Apst ThankGod) emerged, I thought he was the Lord Jesus, I ran and embraced him. As he started speaking to me, because I had called him, Father, he smiled and started expressing love to me and how much he loves me. I ran away from him and asked, "who are you? You are not the Lord Jesus!" He answered, "yes, I am Belove (Apst ThankGod)." I retorted, "you are not! Belove do not look like you." He replied saying, "I understand you, my wife. You will remember later. I am sorry for the pains I have caused you, I am anew, now. I cannot cause you pains." After this, he left. Within a jiffy, the Lord Jesus appeared, I immediately asked, "Father, who was that?" The Lord Jesus smiled and said, "that was your new husband, we wanted to surprise you and see how you were going to react after seeing him." I was stunned, and I told the Lord, that the new created Belove looks exactly like Him (Jesus). He answered and said, "you are worthy of him looking this

way for you. In that, you have suffered immensely for us, therefore we want you to be happy." I was speechless momentarily, just as they have told me. I offered immense gratitude to them (Jehovah God and the Lord Jesus).

Subsequently, the new created Belove (Apst ThankGod), paid a visit to the church of the old Belove (Apst ThankGod). As the old body saw him, he hurriedly greeted him, the new Belove smiled and took a seat and sat down. The old body thought that the visitor is the Lord Jesus, and was expecting him to give instructions or say something. As the new body was not saying anything, the old Belove thought within himself, *'the Lord Jesus comes, and he did not speak a word with me.'* At the same time, the new Belove was very angry with what he saw in the spirit, and of what Veronica has done to the old Belove and how she has destroyed the church of God. After a short while, the new Belove left without any statement.

Afterwards, the Lord Jesus took me along and met with the old Belove, he was very unkempt, heavily defiled, this brought tears to the eyes of our Lord Jesus. And He was filled with anger of how Veronica had defiled and abused Belove (Apst ThankGod). Belove welcomed Him and said, "Father, you came earlier but you did not say a word to me." Lord Jesus replied him, "that was not me but the newly created you." Belove was astounded, and he asked, "but why am I looking this way?" The Lord Jesus told him, it is because he has eaten the food from the daughter of satan. Lord Jesus said, "you are a God, a king. You are not from this earth, you are from heaven." Apst ThankGod asked our Lord Jesus, "how is it that I do not know all these. I did not know that I am a spirit being." The Lord Jesus explained, "you know but due to the spells of the daughter of satan, Veronica, you no longer know who you are. You have to return to your wife, Keddy. She is the only one that can deliver you and you will know yourself." Belove (Apst ThankGod) was filled with thankfulness and delight. We (I and the Lord Jesus), then left.

One fateful day, the new Belove was at the church of the old Belove (Apst ThankGod), satan saw him and then pondered within himself, *'Lord Jesus went to Apst ThankGod's church but did not say a word to him.'* Satan went away and told his demons about what he witnessed, those ones (demons) could not understand why the Lord Jesus had to be silent in his visit. Furthermore, Satan began to witness the new Belove coming to me, he went to share the information to his demons, "I do not understand, why the Lord Jesus has been going often this days to see Keddy. But I will follow him up to know what he is being trying to tell her." At another time, the new Belove paid me a visit, and as he was talking, Satan deciphered that this is not the Lord Jesus. He left immediately and related to his demons, "I thought it was the Lord Jesus seeing Keddy, but he is not the one." The demons were extremely stupefied, and they were wondering if it could be one among them, transforming to appear as the Lord Jesus. Satan replied, "I have searched extensively, it is not one of us at all. I must follow up with him to find out, who he really his!"

At another time, the new Belove, once again, visited me. Satan came, standing at a distance, hearing new Belove as he was professing love to me, after which he embraced me and then left.

When new Belove left, he went to the church of the old Belove, (Apst ThankGod), he met him teaching and he (new Belove) sat down. All that transpired in this aspect are already written down in the books I was commanded by the Lord God to write.

Satan traced the new Belove to the church of the old Belove (Apst ThankGod), and that was how he was able to discover that the spirit being he had been seeing is not the Lord Jesus but the new created Belove (Apst ThankGod). Satan quickly returned and told his demons with so much excitement and boastfulness, saying, "I am the great king Satan, if non of my demons could find out who that spirit being

is, I have found out." His demons asked in quick succession, "who is he?" He responded, "he is not Jesus, he is the new Apst ThankGod!" The demons were all shocked, he continued, "we stand another opportunity for the battle." Satan then proceeded to confirm from the Almighty God, who the spirit being is. The Lord God told him that, it is the newly created Belove (Apst ThankGod). Satan, as foretold by Jehovah God to me, schemingly used the new Belove as a trap against me due to my lost of memory, but I was able to defeat him and his group as the Lord God had said. These accounts are all written in the books that Belove (Apst ThankGod) is yet to come and read. From one battle to another battle, I have been fighting for Belove (Apst ThankGod), his generations/members and the whole world. It takes greater mind and grace to read the books I wrote.

I tried all my possible best to write the books, because what my eyes saw, words alone cannot express. As for the last two years battle that have just ended, November 22nd 2024, I have no words to detail the rate of wickedness, immorality, destruction and deviousness of the devil and his demons, including Veronica. What I witnessed with my eyes were just too much, only God will be able to help the writer of the last battle, (Apostle ThankGod). God had earlier stated that Belove (Apst ThankGod) will write the last two years battle, He said, "you are tired of writing, your husband, Belove (Apst ThankGod), will be the one to help you write this last one (final two years battle, ended 22nd November 2024), when you are already together."

Perspectively, talking about the new Keddy and Belove is all about our new bodies that God newly created and not about our spirit beings. Our spirit beings are living in heaven with God. The new physical bodies we possessed are not from the earth, they are heavenly bodies. Is the reason why I brought myself into the world with the words of my mouth according to the Lord God's instructions. God said, what He used in creating old Belove is not the same as what He uses in creating human being, even as the old Belove passed through a human and came into the world, he is still different, he is a spirit being. (1 Cor 15:38-41).

Chapter 10

THE START OF THE REBELLION IN HEAVEN

The Almighty Jehovah God created our Lord Jesus Christ, (Pro 8:22-31), created me, Love, (Keddy), created Satan, and created the Angels; (Job 38:7), (Col 1:16-17, Jhn 1:2-5).

I was at first invisible to the sight of satan and the Angels, but even I myself did not know this yet. The Lord Jesus Christ will often go about in creating different things in heaven, while satan was going about his trade and coming back, (Ez 28:3-5).

On a certain day, the Lord Jesus called the Angels and announced that, He has met with Jehovah God on the wish to create His own (Jesus') personal children. And that the Lord God has given Him the approval to create His own children. Now the Lord Jesus had made a resolution that, He will not initiate further things in heaven until He finished forging His own children, Love who is being called Mama Keddy on Earth and Belove who is being called Apostle ThankGod on earth. The Angels having heard this, were exhilarated, eagerly waiting the arrival of the Lord Jesus' children.

When I heard the announcement the Lord Jesus made, I was amazed and wondered within me, *'why would the Lord Jesus want to create me again when I am already*

existing.' Though I could see the other creatures in heaven but they could not see me, except the Lord God and our Lord Jesus. As satan was coming back from one of his routine, he heard the other Angels shouting for joy, and he asked why they were so joyful. They explained to him the plans the Lord Jesus had just announced, and he immediately became angry and envious, his countenance changed. Some of the Angels were surprised to see his countenance changed so drastically, but they could not utter any word to him. Then satan walked away dejectedly in fits of anger.

After a while, the Lord Jesus started creating me, (Love) and my brother, (Belove), side by side. As He was designing us, I was well aware of the process, till he adorned us with clothes, consecutively. Lord Jesus then told me, "I am creating you this way, greater and more powerful than your brother, and I am also giving you the privilege to witness it because of the great and horrible battles you are going to fight. You and your brother will both fight these battles but at some point, he will be captured later."

Our Lord Jesus then presented us before Jehovah Almighty God, saying, "Father, these are the children I asked for your permission to create, I am through with their creation." He continued by briefing the Lord God that, "Love (Keddy) was designed to look exactly like you, (God). And I created Belove (Apst ThankGod) to look like me." Jehovah God then took turns to assess me and said, "You really took time to create her well and with great qualities." The Lord Jesus smiled and responded, "I intended to make her look exactly like you, which was the reason I took time to create her this way." Jehovah God smiled and said, "Thank you, she will be called *'My Special Property.'* I am going to have to take her from you to become mine." The Almighty God then reconfirmed the words the Lord Jesus spoke to me while creating us, He (Jehovah) also said, "She is greater than her brother." And the Lord Jesus responded, "Yes because you are greater than me!"

Jehovah God then inspected Belove, who is my newly created brother, and said to our Lord Jesus, "You also created her brother very well, he will be called, '*A man after my heart!*' I love them so much, I will equally take him from you to become mine." The Lord Jesus was very happy that the Almighty Father love the works of His hands which He (Jesus) has created. And He appreciated God. The Lord God then asked our Lord Jesus, "What are the names you have given them?" The Lord Jesus responded, "the sister is Love, while the brother is Belove. Love is first and then came Belove, the second." Lord Jesus then sought permission to take us to be shown to the Angels, and He took us out of God's presence and presented us before the Angels. He said, "these are my children whom I told you I was going to create. Now behold, Love and Belove. The way I created them, their bond is inseparable and unbreakable forever." The Angels rejoiced and shouted with admiration, hailing the Lord Jesus Christ, "they looked exactly like you. Love is beautiful and the brother is very handsome." They spoke further amongst themselves, "they are different from us and more beautiful." Others responded, "because they are real children of the King, that is why they are different from us." The Lord Jesus told them, that He created Belove for the sake of his sister, so that she can have someone she could easily communicate with.

Within me, I was wondering why the Angels were all saying we look exactly like the Lord Jesus. I cannot notice the resemblance of us two, to that of our Lord Jesus and also our Lord God. Then I concluded within me that they only, know how they are seeing us by saying we are more beautiful than them, because they are beautifully made too. In my view eyes, the way I look here on earth is the way I saw myself there. The way Belove looks here on earth, is the exact way he was looking there. I later discovered that these earthly looking faces were not our real faces, we are veiled in order for us to be able to fulfill with these faces on earth based on the families the old Keddy and Belove are sent into, who bear them, for there to be resemblance.

The news of our Lord Jesus newly created children spread from one kingdom of heaven to another. Several Angels were coming to greet us and hail our Lord Jesus. At one time, satan also came around to have a look at us, and he exudes his hatred and anger towards us immediately, his eyes became as red as blood, he expressed his reluctance and dissatisfaction towards us and left straightaway. The other Angels were astonished and asked among themselves, "why is he not happy with the children of the Lord Jesus Christ," some responded, "we cannot tell!" And they kept silent. Thenceforth, satan goes about isolating himself, and avoiding every celestial being.

Afterwards, Jehovah God called for a meeting. As all celestial beings gathered, including our Lord Jesus and also Satan, Jehovah God gazed down, looking at the voidness that will later become the earth. He then started, *"I want to create a place called Earth, (Gen 1:1); where I will also create man in our image and likeness to multiply and fill the earth, (Gen 1:27). We will be greater than them and they all will worship me, the Almighty God as their creator."* As our Lord God was making this speech, we all were enabled to view the images in our spiritual eyes and visualize how the new creation, being earth and its beauty, man and his worship unto God, will be! The whole celestial beings were in massive jubilation. God continued, *"that is how beautiful it will be when I finish the creation."* The Lord God was happy and He smiled satisfyingly.

Suddenly, the Lord God's countenance changed, and He turned to Satan, addressing him, *"why would you think such thing in your heart, to be worshipped as me, who is the creator, the Almighty God?"* The whole celestial beings were surprised and quickly glanced at Satan. Jehovah God now told the Lord Jesus, *"see the thinking of satan; to be worshipped in heaven and on earth as the creator, the Almighty God!"* The Lord Jesus confronted satan, asking, *"why would you think such a thing of being worshipped as the Almighty God? Remove your thoughts from it because it is not good, so you do not bring destruction upon yourself!"* Satan responded angrily *"I will not change my mind from it!"* Then Jehovah God

interrupted, *"you do not have what it takes to be worshipped as me, in heaven and on earth as the Almighty God. Therefore change your mind in order not to bring destruction upon yourself."* Satan retorted, *"I will not change my mind from it!"* Then the Lord Jesus asked of God, *"Father, what will we do now?"* Emphatically, the Lord God responded, *"I am the Almighty Jehovah, the word that has come out of my mouth shall not go without fulfilling, not because of Satan, will I refrain from creating the earth,"* (Is 55:11).

Since that day Jehovah God made declaration about creation of the earth, satan intensified his self isolation. Eventually, God created the world but yet to create Adam and Eve, at this point, as Satan saw that God has created the earth, he proudly told God that when God has created the man Adam and the woman, Eve, he (Satan) will be the first to take possession of the earth, making them (Adam and Eve), to know that God is not a better ruler. He boasted that Adam and Eve will be convinced and will fall for his scheme; (Gen 3:1-7). Jehovah God told him that, Keddy (Love) will be the first to take possession of the earth. Jehovah God then commanded me to walk over the surface of the earth and take possession. I descended over the earth as commanded and swiftly walked over the earth as Love (Keddy). Please note: Not as the Holy spirit. I returned back to the Almighty God and told him, I have finished the assignment. Jehovah God was pleased and replied, "that is why I love you, and you were very fast in carrying out the order. Now prepare to go down to the earth and take possessions of it." And I responded, "Father, but I just finished walking over the earth." The Lord God answered, "Yes, that is the spiritual part, this next one is going to be in the physical." Then I asked, "Father, when am I coming back?" The Lord God said my stay will be very long, because the things of the earth are not as fast as the things of the heavens (spirit things), (col 1:16). Many other accounts related to this are written in the books as commanded by the Lord God Almighty and our Lord Jesus Christ.

Thereafter, the Lord Jesus, along with me and Belove, met with Jehovah our God, we greeted then observed He was in a very sober and depressed mood, His eyes

reddened as blood. I imagined within me why the Almighty God could be so disturbed. And instantly, God addressed us according to the content of my heart, because He knew what I was thinking. The Lord God Almighty said to us, *"I have not created you my children to suffer this way, especially you Love (Keddy), your sufferings are going to be very intense and great. I have seen that Adam and Eve will fall to the deceit of satan, if I do not send you and Belove to go and save Adam and Eve with their offsprings, there will be no one to save them, and they also will not be able to save themselves. And satan will kill them and send them to hellfire if they refuse to worship him. It is the reason I will send you and your brother to save them. Later, you and your brother will become husband and wife in heaven and on earth, to enable you save Adam and Eve along with their offsprings."* God continued, *"because this is the only way to save them. I have also seen it that satan will eventually crush, his kingdom will never stand, (Is 14:5). I have seen what you Keddy will do to him. You are fearless, but as I view the sufferings, torment and torture you will pass through, I feel like changing my mind about the plan to create man. But as I reflect upon satan's challenge, I Jehovah can not afford not to take the challenge by not creating man."* He immediately turned to Belove and said, *"I love you so much, but I have seen what you will do to your sister, your wife. On earth, you will put her through so much pains and sufferings which will cause me to hate you so much, but I still love you, (Ecc 3:8), and I will still save you, however, Keddy will save you to the end."*

God then created Adam and Eve, and as soon as He had finished, satan came to meet the Lord God and we witnessed him telling God that he does not want to worship Him anymore, saying he wants to have his own kingdom and dominion to be worshipped. Jehovah God replied him that he does not have what it takes to be worshipped as Him the Almighty God. Satan the devil retorted strongly, *"I will go to the earth and spoil your reputation to Adam and Eve, and I will tell them that you are not a better ruler, not worthy to be worshipped in heaven and on earth as the Almighty God. When they have fallen for me, I will seize their authority to rule the whole world."* God told him that he can never succeed, *"Keddy will win over you and take the authority."* Satan scornfully responded, *"Keddy cannot be able to*

overpower me, let us do battle now!" God casted a quick angry glance at Satan, *"enter the battle, I am the Almighty God, enter the battle and let us see whose words will fulfill."* We thus entered the battle, we fought and I was victorious. Jehovah God asked satan, *"whose words has now come to fulfilment, yours or mine?"* Satan was mute, God proceeded, *"Keddy has fought and defeated you, and she has taken the authority of Adam and Eve and returned it to me,"* (Gen 1:27). Satan was angry yet sober and kept silent all through. After the battle was fought and I won satan as a spirit being in the '*Battle for Adam's Authority*', (Gen 1:27), the Lord God now showed all the rebellious Angels including satan, hellfire! God said, *"have you now seen that Love (Keddy) has won you. Have you seen that you cannot have your own kingdom, that it cannot stand because you do not have what it takes to be like the Almighty God. Will you still rebel against me? Look at the hellfire!! That is where I will throw all of you that will rebel against me, to burn in torment forever."* At the mention of this, all the rebellious Angels on satan's side, along with Satan himself, accepted salvation. God told them, *"you have been defiled, cleanse yourselves with the blood of Jesus,"* ;(Rev 5:6, Heb 7:23-24). Some of the earlier rebelled Angels were saying among themselves, *"He (Jehovah) did nothing bad to us. He gives us whatever we want, and He has been good to us."* Few of these Angels received salvation which Satan along with host of other Angels, later rejected. Satan demanded thereafter to do battle with Adam and Eve and their offsprings in the physical (flesh), (Gen 1:27, Gen 2:7).

For the sake of emphasis, whenever there is an administering of matters before the Almighty God, either in the presence of the whole Angels or with few in attendance including me or Belove, in any given case, as the matters are being presented, discussed and expressed, the visuals of such matter are playing simultaneously for us to see it outcome, till God eventually shuts down such visuals. There are instances of events that the final outcomes are often blocked from our final assessment and knowledge, in other words, we do not know how matters will effectively end, except Jehovah God and our Lord Jesus who know.

After God reprimanded satan and his loyalists over the challenge with Him (God), and of calling me (Keddy) to fight which he (satan) shamefully lost, silence ensued in heaven briefly, and satan once again blurted out, *"I will not accept, Keddy has not won over me yet. I will still have battle with Adam and Eve and their offsprings, and win over them."* Then God told him, *"but Keddy already defeated you!"* He rudely replied, *"Keddy won me and took the authority of Adam and Eve back to you because she is a spirit being. She and Belove must possess physical bodies and come to the earth to contest with me. Also, I will battle with Adam and Eve in the flesh, (Gen 1:27, Gen 2:7), I will do battle with them and their offsprings, I shall conquer them. If anyone desires to worship you by force, I will kill and send to hellfire,"*; (Job 1:6-11).

This was how Keddy and Belove, thence possessed physical bodies. Satan further enthused, *"I will surely take the authority of Keddy and Belove, and I will use it to fight you and conquer you!"* God responded that satan will never be able to take the authority of Love (Keddy). Satan countered by stating that he will take the authority of Belove her brother, instead. As this exchange was going on, we were all visualizing with our spirit eyes of the future. In there, we beheld the view of Belove being captured by satan's daughter, Veronica, through deception with food, portraying herself as a christian. Belove (Apst ThankGod) ignorantly took the food from her and ate, this was how he was captured and he could not recognize me anymore. At this point of the visuals being watched, Satan laughed derisively, other Angels and the Lord Jesus were watching. Jehovah God's eyes became cloudy with red tears as blood, He rose up from His exalted seat and said, *"I, Jehovah Almighty God, I declare Love (Keddy) and Belove (Apst ThankGod), as husband and wife, from today, Love marries her brother, they have become husband and wife and can never be separated from each other! You will not make love here in heaven, when you get to the earth, you will have your second marriage and live as husband and wife before you make love."* God then instructed the heavenly bodies to congratulate us being witnesses to the matrimony. In one voice, they chorused that they have witnessed the wedding of Love and Belove, her brother. We were consequently congratulated.

Jehovah God thereafter spoke exclusively to the Lord Jesus, I (Keddy) and Apst ThankGod, while speaking, Jehovah addressed me, *"this is the only way you can embark upon the journey of the earth and save Belove from the evil daughter of satan. If you go only as a sister, you will never be able to prevail and save him, you will never win the battle. Due to the mistake of Belove, I will re-establish the whole world back to myself, (Col 1:18-22), because satan will be killing my children and sending them to hell."* As the Angels mostly rejoiced with us, those that are satan's aides were asking him, why and for what reasons have God joined Love and her brother, Belove, as husband and wife? Satan self satisfyingly responded to them, *"I am great King Satan, if you my Angels do not know, I know. He (Jehovah) joined them together so they can have great children on earth and take possession of the earth."* Satan thus became angrier, moody and more secluded except with Angels that are allies of him, which he has been persuading to his side.

On a fateful day, satan walked up to me and Belove, he greeted and pretended to be very nice and friendly. As he was approaching, I told Belove that satan is coming to convince us to bow down and worship him. Belove asked me how I got to know this and I responded, *"I saw and heard him in his heart as he was planning and scheming against us, but that does not mean I know every of his thoughts and whatever he plans."* Belove responded, *"God forbid, he will never succeed in his plans against us."* Then Belove acknowledged that he (Belove), knows I can see and hear deeper than him. I told him that he can equally see and hear, and he said, *"yours is greater than mine but I am not jealous of you, my sister and my wife, I love you."* We both laughed over this, and Belove said, *"you know, the two are one, what you possess is what I own, so we will join it together and work."* Satan drew closer to us and said, *"you know I love both of you so much, I want you to join your powers with mine so we can rebel against God. You will meet him and tell him that you want to be worshipped as Gods, that you no longer want to worship Him."* I responded and said, *"we don't want to be worshipped as God. We are okay with the way we are."* Satan replied, *"if you do not want to be worshipped as God*

almighty, then bow down and worship me." I responded tersely, "I will never do that!" Belove also said, "God forbid, why would we rebel against God our Father who has done nothing wrong to us but has only loved us." Satan added, "*he does not love you, it is me that loves you.*" We countered him by telling him, "you hate us, you do not love us." Satan then insisted we bow down, Belove asserted that we should go and report to our Father, the Lord Jesus Christ.

We met with the Lord Jesus, He was working on a large iron mass, we greeted Him and He answered us admirably. Belove then asked, "Father, you have not rested," and the Lord Jesus replied, "I will rest when I finish this work." Belove (Apst ThankGod) continued, "Father, we have come to see you and report a matter to you, we do not know if you can be attentive to us now." Lord Jesus answered, saying, "speak my children, I am listening." "Satan came to meet us and told us to join him and rebel against God Almighty. He asked us to go and meet God and tell him that we will no longer worship Him, that we want to be worshipped as God." Belove continued, "We told him, God forbid it, we can not do such thing to our God who loves us so much and have not done any evil towards us. We do not want to be worshipped as God, we are okay with the way we are. Satan insisted that if we do not want to be worshipped as God in heaven and on earth, then we bow down and worship him. We resisted him, telling him that we cannot bow down to worship him, he pressed but we refused. He told us that if we do not worship him in heaven, we will surely worship him on earth. We maintained that we can never bow down to worship him on earth. He boasted, saying, '*let us see how it goes*', that is why we are here to report to you."

The Lord Jesus eyes had turned red as blood, He was sad and angry. Then He sadly responded, "Satan has caused very big problems in heaven and on earth, he is the reason I have started to build this hellfire; (MT 25:41). From the day I created you, he has never loved you both. He hate you so much and he is going ahead with his

plans because of the authority of Belove. I have seen it that you Belove, will surely fall for him, that is why he is going ahead with his plans. But all his plans will never succeed."

The Lord Jesus urged us to go along with him and confront satan. As He met with him, He queried, "why would you tell my children to bow down and worship you as God, to rebel against Jehovah the Almighty God, and my Father. Stay away from my children and stop telling them this evil words, because you will never succeed in all your plans." Satan responded "*I will not stay away from them, I will surely take them from you to be my children and they will worship me and then reject you on earth.*" The Lord Jesus told him he will never succeed in his evil plots. "I know how I created Keddy and Belove, they are not like those Angels who joined you in rebelling against God. The way I created them, they will never bow down to anyone in heaven and on earth, except *Jehovah God the Almighty and I, their father who created them.*" Satan curtly replied, "*Belove your son will surely fall for me on earth and reject you to your face.*" Our Lord Jesus responded, "he will fall for you unknowingly, but without his clear eyes and understanding. Just as he did not worship you here in heaven, he will never worship you on earth with his understanding and clear eyes. We have seen that he will fall for you on earth, but will surely return to us his Fathers." We all, then left.

Jehovah God afterwards, created Adam and Eve physically, (Gen 2:7). Satan was relentlessly pacing from one kingdom of heaven to another, trying to turn the hearts of other Angels against God. Utterly blaspheming and making profane words against the God Almighty and His Majesty; (Rev 13:6). He was stirring the Angels, telling them they also deserved to be worshipped too as God. Some Angels disagreed with him, telling him they can not rebel against God who has been very kind, loving and dear to them. While some others got wooed and agreed to the rebellion.

The Lord Jesus went to meet Jehovah the Almighty God, to report satan's deeds. The Lord God said that He has seen all what satan has been doing, and he (satan) is going ahead with his plans due to the authority of Belove. But surely he will never succeed with his plans. "I have seen the future, he will surely crush; (Is 14:12-15), (Is 42:9) and (Is 48:5). Let him go ahead with his plans."

When satan has successfully gathered his loyal Angels, he hastened to meet Jehovah God and said, *"I want to have my own kingdom with my Angels."* The Lord God responded, *"I have told you to change your mind from being worshipped as God in heaven and on earth, because you do not possess what it takes to be worshipped as me. Change your mindset so that you do not bring sorrow and destruction upon yourself. Your kingdom will never stand, it will surely fall in the future";* (Is 48:3, Dan 2:44). Satan said to God, *"I will not change my mind from my plans, I will have my own kingdoms. Your son Belove, will fall for my great daughter when he eats her food through my effective spell that I will cast on the food. He will fall for her, then I will use his great authority to rule the whole world. And whosoever refuses to worship me, I will kill them and throw them into hellfire."* ;(Rev 13:7). The Lord God responded, *"my daughter Love, will fight and prevail over you, she will seize the authority of her husband, (Belove) and the whole world from you and return it to me, Jehovah, the God Almighty",* (Is 14:5), (1 Cor 15:24-25) and (Rev 11:15)

After this, Satan demanded for another battle which we won, but Belove was captured as he became hungry and ate the food which the daughter of satan offered him. God now said, "what took place here in heaven will happen in the physical world when Belove will go to earth and start his church".

THE BOOK OF TRUTH, JUSTICE AND JUDGEMENT

Chapter 11

YOU ARE MY TRUE NATURE

On this day 5th of November 2022, Belove (Apostle ThankGod) got remarried to me in the spiritual-physical realm in the presence of the Lord God and our Lord Jesus. God asked me to respond "Yes, I do" to him, I did and he (Belove) wore me the ring and we got married. The Lord God said, "today, you both have remarried in the spiritually physical realm, left with the physically visible realm.

This development took place few days after God gave Satan, his demons and Veronica, along with the whole kingdom of darkness, salvation, which was received and later declined. It was on this same day, the Lord God told Belove (Apst ThankGod), "you are a spirit being," in three consecutive times. During this period, Jehovah God has been given me counsel concerning our marriage (I and Belove). The counsel has been on how the marriage and our love life will be. When God delivered the counsel to me, I was enthralled and deeply appreciate how God has loved me in order to have given me such counsel as this. I never knew what lies ahead of me, the realization came later, and which made me to now know why the Lord God gave me those counsel.

In the counsel, God said, *"Belove calls you 'my ocean Love,' but I want you both to call each other, 'Belove Ocean,' when you are physically married in the apparent, because your love is an ocean."* He then continued, *"when you are both in the house, he will be constantly teary."* I asked the Lord God, the reason for this and he answered, *"each time Belove reflects on what he has done to you, the sufferings, the torment you went through, and the disgrace, this will keep hurting him, and he will resort to weeping. Even as you will urge him to stop, he will not stop, until you chastise him before he can stop. Additionally, he will be emotional and affectionate because I will pour more love and feelings of you upon him than in the past. At present, as you are about entering the battle, I will strip the love and affection he has for you because satan opined that, it is the feelings and love you both (Keddy and Belove) shared that is enabling you to have the power and strength to fight Belove's battle and win."* *"Hence, the love and affection will be stripped off during the last battle."* This last battle had already taken place as you have read above.

Jehovah God said to me, *"I will pour greater portion of love upon you towards Belove (Apst ThankGod), so that you will love him beyond the pains and sufferings you have encountered while fighting his battles, so that you will not keep remembering the past. Each of your love and affection to one another will be at par, no one's love will be greater than the other."* *"On the day that you both get married in the physical apparent, your husband will not have intercourse with you, he will base this position on allowing you to have adequate rest owing to the stress of the wedding preparations. Due to the strong affection and emotion you both shared, it will bring you to the brink of tears, but you Keddy hardly weep, you are my true nature. I myself hardly weep, and if I weep, something will happen. You Keddy, if you also weep from the heart when severely pained, destruction follows."*

"Belove (Apst ThankGod) is the true nature of his Father, Jesus, He weeps constantly. Whenever I behold the tears of my son, the Lord Jesus Christ that died

for the world, I refrain in my anger of ending the world abruptly. And when I see the tears of Belove (Apst ThankGod), I will be unable to turn my back from him, this is the reason why we told you (Love; Keddy) to still fight his battle to the end."

I asked the Lord God, "Father, why was Belove calling me, 'Able'?" The Lord God answered and said, *"that is also your name, but you have forgotten. You have become worthy to bear my name, Able! This is the reason you were able to remove Belove from Hellfire. Apostle ThankGod's alias is 'Humble', this is also the name of his Father, your Lord Jesus. Jesus was able to die for humanity due to His humility, He is Humble!"*

Thereafter, I appreciated the Lord God and He departed. When our Lord God had left, satan came, presenting himself like God, and began to speak words of obscene and repulsive immorality to me, which cannot be expressed with words. As he left, the Lord God accosted him and said, "you went with my identity to meet my daughter, to teach words of immorality, for her to denigrate me, but you have not succeeded." After sometime, Satan and his demons along with Veronica, transformed themselves in the most dreadful and horrible state with ignoble outlook. God hinted me that this is the evil they want to go and teach humanity, to corrupt the world in high sexual immorality, and that He will not allow it because humanity cannot survive it. He stated that, He will not allow the world to watch this extreme obscenity, but since I and Belove are spirit beings, is the reason why we are the only ones who can see it. God only, knows when He is going to show Belove this despicable displays of satan and his demons.

On the 18th day of December 2022, Veronica slayed a great lots of Apostle ThankGod's generations all over the world, she heaped them up like sand. She transformed herself into whatever she wish, feeding on their carcasses and also on the maggots emanating from them. When she becomes satisfied, she trampled on the left overs.

When Veronica finished feeding with Belove's, (Apst ThankGod's) members/generations, she never ends there, she still went ahead and did more evil, committing another abomination against all Belove (Apst ThankGod's) members.

God had earlier told me what to do and how to undo what she has done when I would have taken over Belove (Apst ThankGod's) church. All the atrocities she committed is recorded in the part two of this book.

She had already committed this evil before we entered the last two years battle that ended November 22nd 2024.

THE BOOK OF TRUTH, JUSTICE AND JUDGEMENT

SUMMARY

The summary of the book; **Truth, Justice and Judgement**, written by Love, (Mama Keddy), and published in the month of March 2025, is an account that partly predates human existence and also relative to the present.

In this summary, the author wishes to emphasize on the mission of truth, the bearing of justice which gives reason for judgement. The hellfire was not created for man but for Satan and his demons; MT 25:41, 2 Pet 3:9.

The battles as explained in this book, originally ended on 22nd of November 2024, yet my heart is still open. The Almighty God had earlier said, when I have won the battle, He will not close my heart yet. He said He has not kept my heart open for me to engage in a new battle. But He has rather kept it open in order for me to do anything within my powers to still help Belove, (Apst ThankGod), and save him from the hands of the daughter of satan, Veronica.

The Lord God had said, there is no injustice with Him, and until I and Belove (Apst ThankGod) are together, before He (God) will close my heart. However, Veronica is cunningly and deceptively telling me that, God still kept my heart open because she (Veronica) told God that she wants to still have another battle with me in her physical body, of which is all lies and also against the law.

The life of the whole world is at stake both the Christians and the non christians. The authority of Luke 10:19 has been withheld due to the battle. The Christians in the world have no authority

at the moment. Belove (Apst ThankGod) has no authority again. His authority was taking from satan and given back to God which has caused the earth to be in devastation.

The Lord God had said, as long as Belove (Apst ThankGod) is still living with Veronica and calling her, a wife, His anger will continue to blaze against him, and the whole world will continue to face destruction.

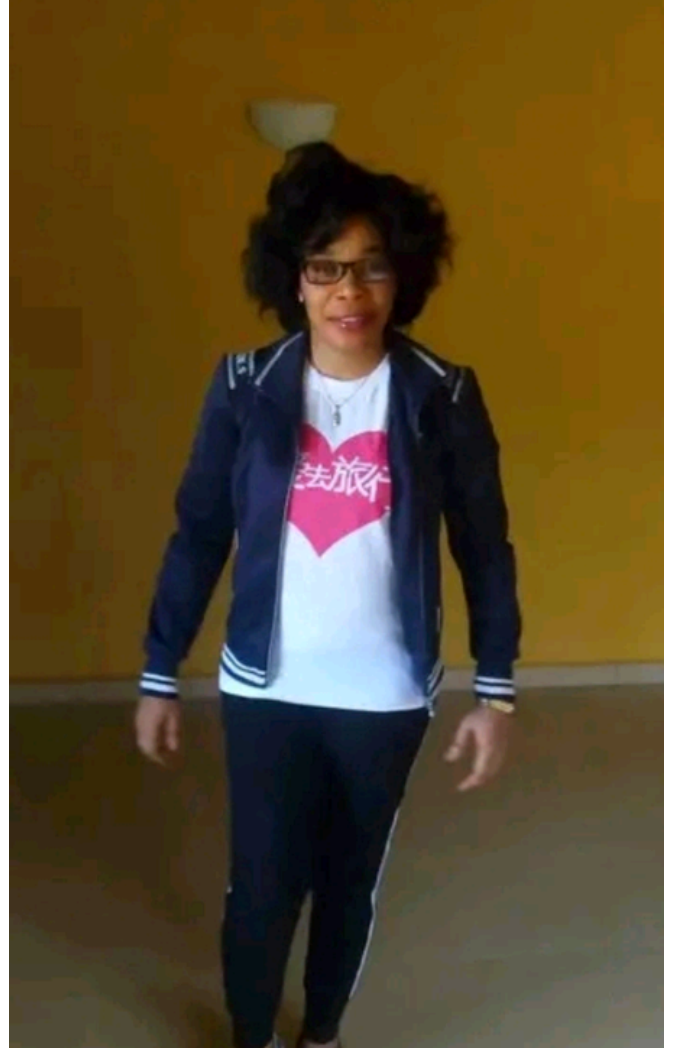

For God had said that when He is silent, I will know what to do. That is the reason for this publication, to inform the whole world on what is happening and the measure of correction.

In the marital life of I and Belove, except the Almighty God Jehovah and our Lord Jesus change their minds that we (Keddy and Apst ThankGod) should procreate, we will not have children, for we are Gods. The marriage was designed to enable us win battles in our union, in order to save humanity, because God had said, if I come only as a sister to Belove, I will not be able to win, however, if I come as wife, I will win, which I have won. Now, Veronica have no right at all constituting procrastination by still living with Belove (Apst ThankGod). Belove (Apst ThankGod) will come out. On the part of Veronica, she must come out and tell the whole world, why she hid the salvation that God gave to them, (Satan and his demons, along with Veronica and the whole kingdom of darkness), and still desire to kill Belove (Apst ThankGod), his generations and all the human demons and send them to hellfire.

I want the whole world to know about this myriads of wickedness and injustices before they will hear my final judgement on the matter.

This publication bears some important videos and pictures that are relevant to events as may be necessary. The videos are original and independent, however, their relevance to this publication is the decision of the author.

Recovery Phase

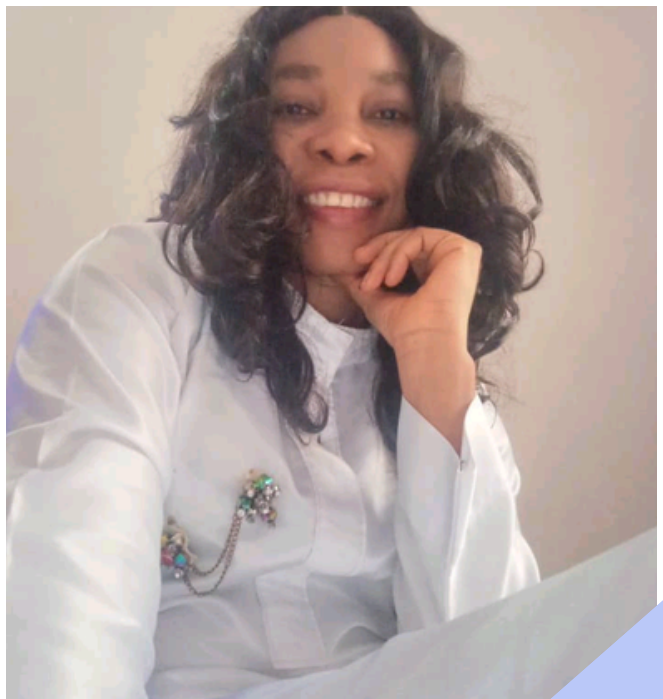

These pictures show when I was still recovering from the Coronavirus and the new virus. I was injected physically and forcefully over this.

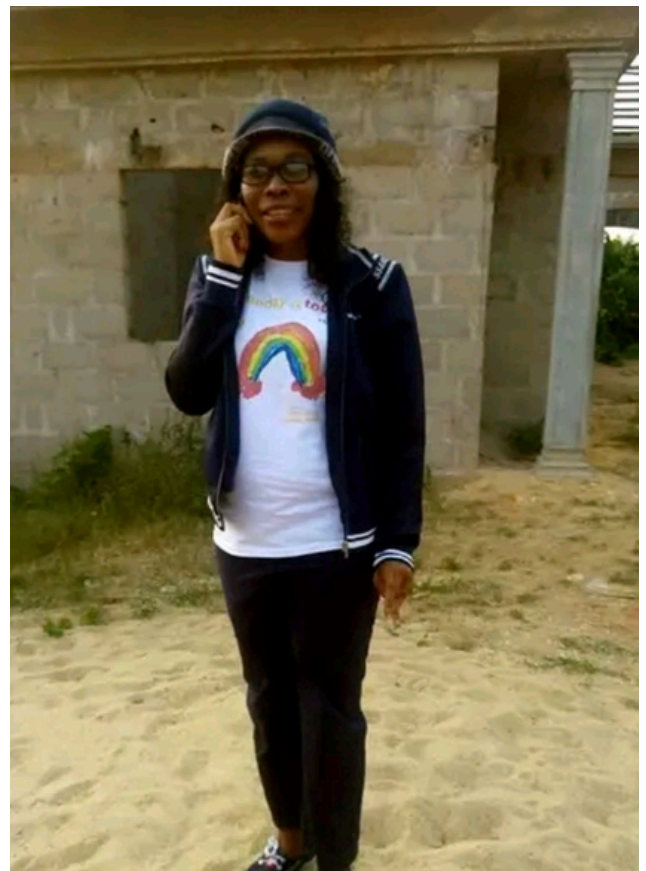

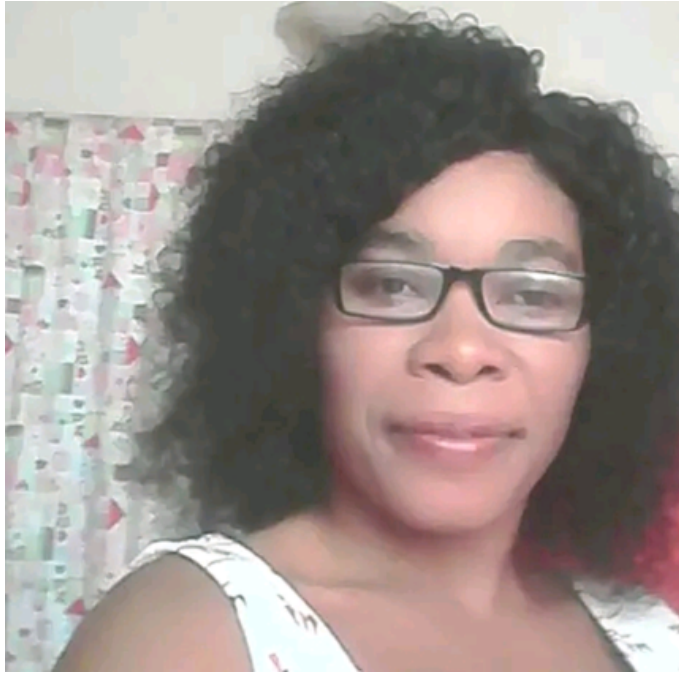

This is the room I stayed to fight the last battle for two years. Though I stayed more than the two years span because I was expecting Belove (Apst ThankGod) to come and read the books but he did not come.

Post Recovery

Theses pictures here is when I have recovered

The Old Keddy

The Ring from Apostle ThankGod

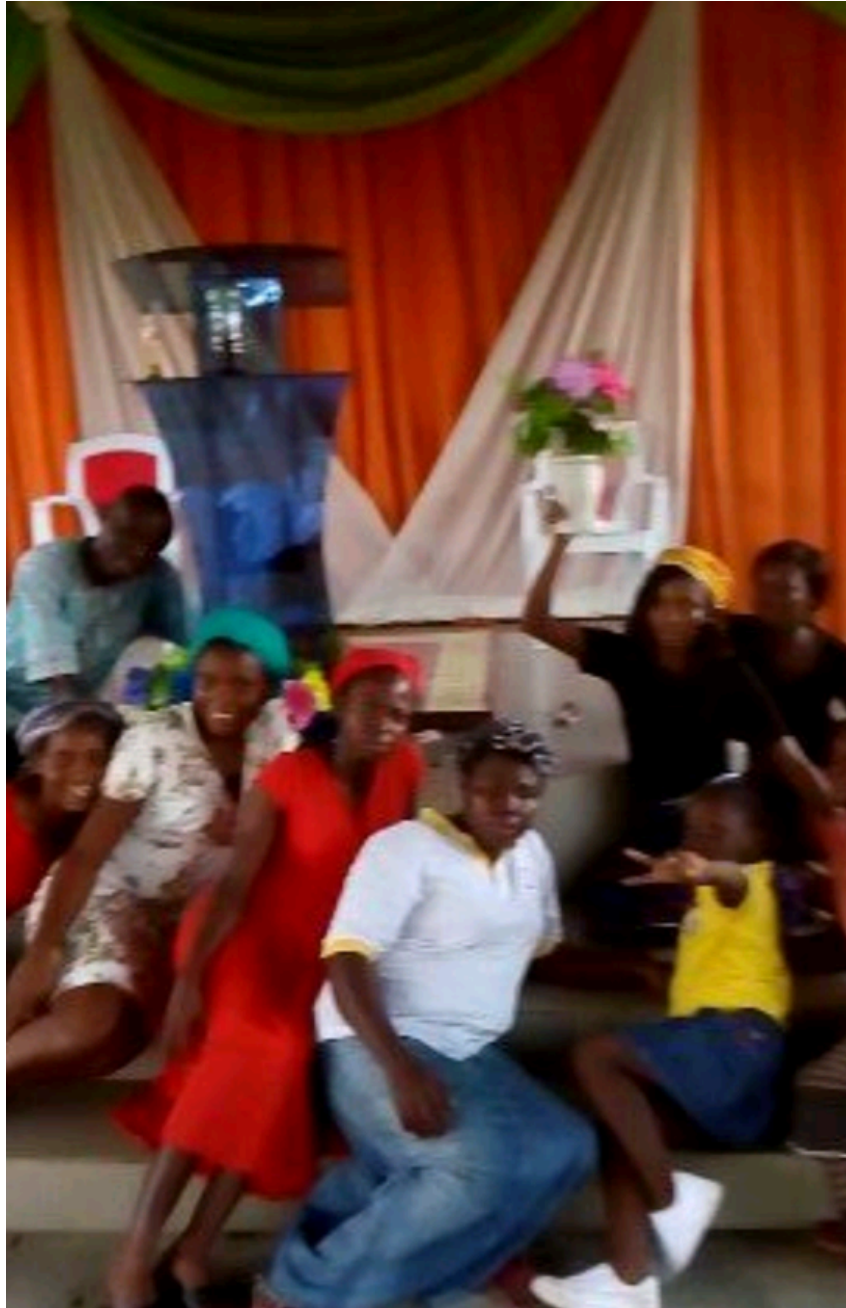

This is the ring Apst ThankGod gave to the old Love (Keddy). She had earlier asked God for a prove that if Apst ThankGod is truly the husband as He, Jehovah as said, let him (Apst ThankGod) offer her a ring.

The Church I was Pastoring

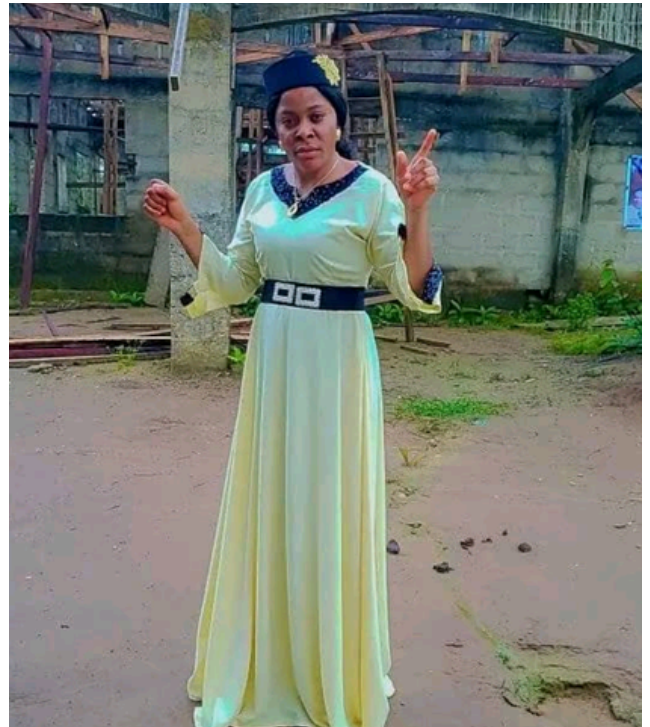

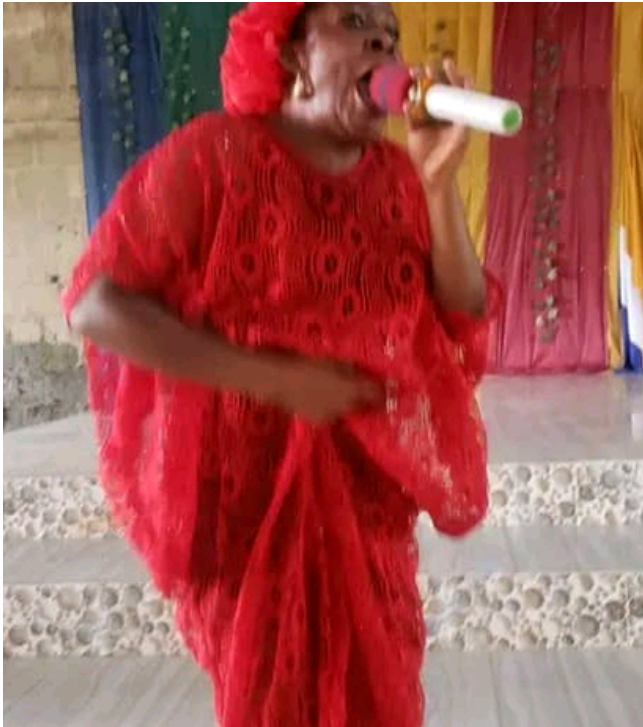

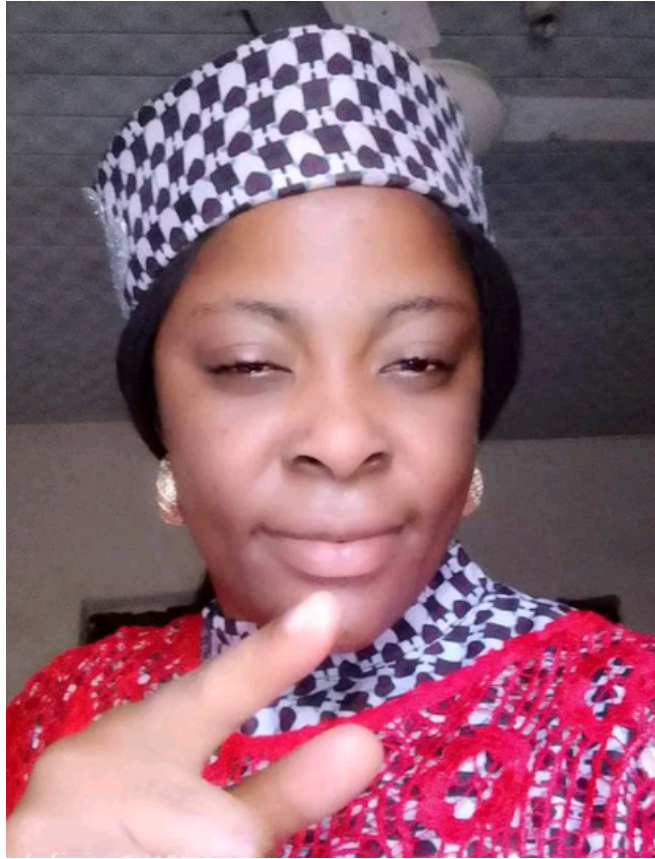

This is the Church of God, my Church that God commanded me to shut down and fight the battles. It has been shut for over Six years.

The Books

The books I was commanded by God to write and give to Belove (Apst ThankGod) so he can be fully aware of himself and take up his assignment God has given him, and to know everything about the battle and what is happening to his church and to the whole world.

Pictures of Veronica

Herein is the pictures of Veronica the daughter of Satan, who poured the coronavirus plague that killed Apst ThankGod's generations, in order to become the greatest king of the four wings of the earth.
